NORTHWESTERN CROPS

MILITARY CAMP, PETAWAWA, June 22.—(Special.)—No. 2 Field Company, Canadian Engineers, of Toronto, will leave Petawawa for home Thursday.
A board of officers has been conducting examinations for officers wishing to qualify for promotion. Lieuts, Wainwrych, Hrving and Rebertson of Toronto were examined, and it is understood that all three passed very creditably.
The 9th Battery will leave their guns beind when they return. They will be used by other batteries, which arrive later. The Toronto men will be issued with new 13-pounders.
Tserday was spent by the Toronto Engineers in mining and demolitions. Lieut.-Col. Hemming and Major Curry winessed the operations and were much pleased with them.
Dr. Barton, the surgeon of the Toronto Engineers, yesterday returned home, and Major Lang, the commanding officer, will leave camp for Mont. WINNIPEG, June 22 .- According to

CALGARY, June 22.—After a session of over three hours, Judge Stuart con-tinued the injunction which was grant-ed to the C.P.R. restraining the C.N.R.

of railroad construction. Stuart said: "The defendants have admitted that they had no right to go on these lands without filing the necessary papers and they are bold trespassers. Notwithstanding what has been said about the matter be-tween a public question, and remarks about the interests of the public. I think that for any company to go up on the lands of another person is act-ing in a high-handed manner by that company. I wish to intimate, how-ever, that the injunction will be con-tinued, with leave to the defendant

TERRIBLE DISASTER ON

Car Jumped the Track and Passen-

gers Were Hurled to

the Ground.

NEW YORK, June 22.—At least four persons were fatally injured and a doz-en others seriously hurt early to-day, when two crowded cars of a scenic

CONEY SCENIC RAILWAY

Something went wrong with the me-chanism, and as the cars were dash-ing around the first turn the rear car jumped the track, dragging the for-ward one with it. Ten of the occu-pants were hurled from the cars and haphazard and unsatisfactory system

The man in charge of the diving cars escaped injury. He could not explain the accident, but declared that it was unavoidable.

Another Similar Fatality. BUFFALO, June 22.-Louise Koch, 17 years old, a junior of Masten Park High School, was fatally injured to-day on a scenic railway at Crystal Beach, Ont., where the school picnic was held. A steamer was started for Buffalo on a record-breaking run to save the girl's life, but she died just as the boat reached the dock. Miss Koch's father, who had not heard of the accident, but who was expecting his daughter on the even-

drydock at Montreal.

tion, and only commissioned by the

government. 3. The commissions of all officers of

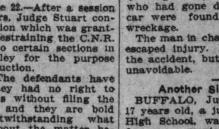

the outside service of the department

the outside service of the department of game and fisheries who are receiv-ing less than \$500 per annum, or a pro-rata amount for temporary services, be canceled as rapidly as it is possible to reorganize the outside service, in accordance with the principle of fewer and better paid officials. 4. No officer be in future engaged or employed by the department of game and fisheries on its outside service who cannot furnish satisfactory proof of such knowledge and experience, and

pants were hurled from the cars and went crashing down amongst the scen-ery, falling to the ground, where they lay unconscious in a huddle. Six went down with the first car. They were pinned fast beneath the wreckage. These last were the ones most seri-ously injured. The lives of all the half dozen were despaired of to-day at the hospital to which they were taken. Indescribable confusion prevailed as the cars took their frightful plunge. Spectators of the disaster screamed in terror, and the panic was increased when some one switched off the elec-tric lights. The police had hard work quelling the panic. The six persons who had gone down with the falling car were found plunned under the wreckage. type, which with accessories would in-volve an initial expenditure of about \$27,000, which, it is stated, is not an increase over the existing expenditures for salaries of fisheries overseers and

heir help. their neip. The report goes on to discuss fish hatcheries, and the necessity for' co-operation between the officers of the various departments' of the govern-ment and the general public, not only in respect of fish, but also of wild animals.

OTTAWA, June 22. - Petawawa In conclusion the report advocates the imposition of fishing and huntin licenses to resident and non-resider Camp is much exercised over short weights in meat as handed out to the sportsmen on a schedule basis, which on the basis of a population of 2,000,000, taking a 5 per cent. ratio, would pro-duce from \$60,000 to \$100,000 for the provincial exchequer. Some of the features of the report are not entirely new, having been re-ferred to from time to time in the an-nual reports of the features of the section. regiments, and some scandal may reregiments, and some scandal may re-sult in reports made to the investigat-ing senior officers. A scale has been used that registered 110 pounds for 90 pounds, and it was accidentally discov-ered when the older members of the Army Service Corps happened to be absent. refred to from time to time in the an-nual reports of the former deputy-minister of fisheries, and the present superintendent of game and fisheries, extending for some twelve years back. The reiteration, however, under the circumstances, should result in more attention being paid.
