 d ed about unchanged, but Dome Extension amelgamation, was anticipated, and was theory that with the best news out any price discounting was finished. The market was about as dull as it could any price discounting was finished. The market was about twenty-five thous- and shares. Prices where sales were made represented no change from Friday last or were too insignificant to define movement that will warrant increased activity.

months, a few loans running into the next year. Industrials and specialties were mainly higher at the outset and during the in-turmediate period, oils, steels and equip-ments advancing later. Last week's de-mand for rails fell off perceptibly, and selling for profits canceled many ad-vances & their close. Sales amounted to 600,000 shares. Railroad issues were again the most stable features of the bond market, the Liberty group and internationals easing from best quotations. Total sales (par value) amounted to \$9,400,000. Old United States bonds were un-changed on call.

Libert group and internationals easing<br/>rulue) amounted to \$3,400,000.Montreal. Sept. 7.—The paper stocks<br/>ontinued leaders of the market today<br/>with the Spanish River and Brompton<br/>most of the issues showing material net<br/>and it was surmised that liquidation<br/>these shares was following the course<br/>of Brazilian. The Canadian market of Europe<br/>pean Brazilian and may have to do fue<br/>take care of offerings, and the price<br/>heid around 38c.Montreal Aspect on another camp<br/>page and the paper stocks, and the price<br/>to 78, in the early trading, but closed<br/>to 78, in

#### VAN COUVER OFFICE FOR ROYAL SECURITIES

FOR ROYAL SECURITIES In the furtherance of its program of aggressive expansion, particularly with regard to the Canadian investment mar-ket, Royal Securities Corporation has opened a new branch office at 308-310 Pacific Building, Vancouver, under the management of R. C. Buchanan, recent-ly of Vernon, B.C. The new step taken by Royal Securities Corporation may be accepted as an indication not only of the growing importance of the Canadian

THE TORONTO WORLD

Record of Yesterday's Market

Montreal, Sept. 7.—The domestic mar-ket for cash oats today was weak, which was attributed to the increased offer-ings of new crop grades for shipment. Prices were much reduced. The trade in millfeed is quiet. There is nothing new to note in the baled hay market. There is no new feature in the egg situ-ation. The further market is uncharged

If You Trade in Stocks, You **Need This Book** D o you know why stocks are selling at their present low levels?

One New Zealand paper asserts that a large proportion of the emigrants, whose passages were part- ly paid, are already indigent, and that they are only the vanguard of the	Warsaw. Sept. 6.—Captain J. C. McCullum, of Montreal, a member of the Kosciuszko squadron, has been kil ed in an airplane fall near Lem- berg, it was learned here today. McCullum recently joint a the Kosci- uszko squadron, and Jr: previously flown with the Canadian army. The accident is attributed to his unfamili- arity with his plane which different
