YORK RATEPAYERS TALK MANY TOPICS

Secretary Resigns—Telephones Much Needed—Contract for Water.

Reorganization; sewers and water for the eastern section; district nurses and telephone installation in the township were some of the live questions discussed at the regular monthly meeting of the Amalgamated Association of York Township Ratepayers' Associations, held in Odell's Hall, Bathurst street, last night.

Secretary Resigns. D. McCarthy, in tendering his resignation as secretary, pointed out that it was imperative he should have at least three months' rest from association work, or assistance for that period.

Association's Great Future. President W. Jarvis claimed that the amalgamated association had a great future before it, but a shake-up was necessary and a get-together meeting of the entire executive committee was called at an early date to bring the west and east into line.

The Red Cross. The question of Red Cross nurses for the township was next discussed. W. Moore stated that the good work recently done by the Red Cross in the district should be more largely known and that nurses should be appointed in all school sections, the cost to be borne by the provincial government.

Telephone Wanted. W. Caswell asked if the Bell Telephone Company would consider the incorporation as it was impossible to get accommodation in the township.

Weekly Court. Re Sharpe estate: W. F. Gries for executor moved for order constraining W. F. Helmutz, K.C., for Mrs. Sharpe, to produce the will of Margaret Hooking and Margaret Hood. Order declaring will null and void.
