

A HOUSEHOLD NECESSITY.

Yes; one that every individual should possess. A bottle of PAIN-KILLER should be where every person can put their hands on it in the dark if need be. Many valuable lives have been saved by its timely use, and a world of suffering has been alleviated since its introduction.

IT CURES,

WHEN TAKEN INTERNALLY,

Cramp,	Painters' Colic,	Sore Throat,
Cholera,	Bowel Complaints,	Sudden Colds,
Dysintery,	Pain in the Stomach,	Coughs,
Diarrhoea,	Liver Complaints,	Dyspepsia,
	Indigestion, etc., etc., etc.	

WHEN USED EXTERNALLY,

IT CURES

Rolls, Felons, Cuts, Bruises, Burns and Scalds, Old Sores, Sprains, Swelling of Joints, Toothache, Pain in the Face, Neuralgia, Rheumatism, Frosted Feet, etc.

For Cholera, Cholera Morbus, and Cholera Infantum, as well as all Summer Complaints of a similar nature, it acts with **WONDERFUL RAPIDITY**, and **NEVER FAILS** when taken at the commencement of an attack, and often cures after every other remedy has failed. For Sore Throat, Sudden Colds and Diphtheria, no remedy has ever been discovered so powerful to cure. As a Liniment it has no equal in curing. Rheumatism or Neuralgia, Burns and Bruises and wounds of every description. It is the cheapest and best remedy ever offered to the public. Mothers will find it invaluable in the nursery, and it should always be kept near at hand in case of accident. For pain in the breasts, take a little PAIN-KILLER in sweetened milk and water, bathing the breasts in it clear at the same time. If the milk passages are clogged, from cold or other causes, bathing in the PAIN-KILLER will give immediate relief.

BEWARE OF ALL COUNTERFEITS AND IMITATIONS.

The genuine is put up only in panel bottles, with labels finely engraved on steel, the name being also blown in the bottles.

Price, small bottles, 25 cents; large bottles, 50 cents
