H. N. DeMILLE 199 to 201 Union Street - Opera House Block

KENT FLOUR the secret of TASTY TEA BISCUITS TRY IT! order by The Bag or Barrel

One of the most capable and efficient school teachers in Monroe county, Mo., teaches school five days a week for eight months a year, with only four pupils enrolled. The teacher's salary is \$48 a month, and the four pupils are of one family.

A farm in Stockbridge, Mich., owned by the late Charles L. Lynch, was bought by his great grandfather in 1768 from an Indian named Solomon-haunnuvunumut, and has been handed down from father to son in the Lynch family ever since then.

Is the Food Famine Artificial? What Are the Remedies?

Hunger riots in New York, Philadelphia and elsewhere, in a period of unprecedented national prosperity, are startling enough to arrest the attention of City, State, and Federal Legislators.

The New York World blames the food speculators for these conditions and urges the State to exercise its police power and take over the food supply.

In THE LITERARY DIGEST for March 3rd, the leading article covers this subject from all angles and suggests methods of cure.

Other articles of great importance in the same number are:

The War to End This Year

This is the Declaration of Sir Douglas Haig and is Conceded in by Russian and German Authorities.

- Where the Neutrals Stand. Uncensored News from Germany. Bleeding Poland. Some Needed Inventions. The Fearful Modern Song. The Classics Fighting for Life. The Unhappy Lot of Venice. Our Crippled Naval Red Cross.

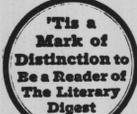

- Will U. S. Join the Entente in Case of War? Germany's Need of Victory. Does the "Melting Pot" Melt? A Laboratory in a Suitcase. New Jobs for Women. More Mathematics Needed. Trying to Save England Her Masterpieces. The Movies as a Peacemaker.

An Impartial Survey of Facts

This is an age of what President Wilson has termed "pitiless publicity." Everything finds its way into print and the vast quantity of matter with which our daily and weekly press is flooded is simply staggering to the man who wishes to learn the essential news of the day and yet dislikes employing a muck-rake or a fine-toothed comb to arrive at it.

of THE LITERARY DIGEST is a rare boon. Not only does it give him the news in an instantly accessible form, free from all unessential matter, but it quotes papers of the most widely divergent views upon all the vital questions of the hour, thus affording an unbiased survey of everything of importance that is taking place in the world.
