THE EVENING TIMES-STAR, ST. JOHN, N.B., SATURDAY, OCTOBER 27, 1923

## GUESS WHO HE IS

When this young chap finished St. Johnsbury Academy, in Vermont, he insisted he'd make his mark. The dope on him holds good, because he made progress until he reached the highest office in the United States. The two pictures of Coolidge show an interesting contrast between the graduate and the leader.

## Coolidge Puts On New \$40 Fedora And Picks Out The Bear He Wants

Washington, Oct. 27.—President Coolidge has received a present of a bear, species unknown. It was given to him by a citizen of New Mexico, B. R. Pearson, who said he was born on the Oregon trail, and who brought it in.

## NEW LAMP BURNS 94% AIR

Beats Electric or Gas

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 39 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, simple clean, safe. Burns 94 per cent. air and 6 per cent. common kerosene (coal oil). The inventor, O. K. Johnson, 246 Craig St., W. Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him today for full particulars. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month.

Just then the Oklahoma city firemen, who were on their way to a national firemen's convention, drew up in front of the executive offices, their band playing a martial air. Mr. Pearson started feeding the bears raw meat, the band played, the bears growled and Mr. Coolidge, the President sported for the occasion a brand new light fedora. This is said not to have been a present from Mr. Stetson, who recently called at the White House, but from another friend, and its value is reported to be \$40.

## A quicker job - A better job

WHETHER you employ the paperhanger or whether you do the job yourself, you can now redecorate your rooms quicker, better and at less cost than formerly.

Staunton Semi-Trimmed Wallpaper simplifies the job throughout. Its advantages over the old-fashioned papers are obvious at a glance.

Semi-trimming eliminates all the old, troublesome and uncertain methods of trimming. No scissors, knife, or straightedge are required. You simply give the ends of the roll a rap on table or floor, and the surplus falls off, leaving the paper perfectly trimmed to a thousandth part of an inch. Think of the time and trouble saved—of the litter and muss you avoid—of how semi-trimmed wallpaper reduces the paperhanger's time and cost.

And above all, think of the perfect job that results. No white edges, no imperfect seams—just a beautiful design which looks like one piece on the wall.

Ask your dealer to show you the patterns.
