## LOCAL NEWS

**NOW SUPERVISING NURSE**  
Miss Mary L. Slauenwhite, who graduated from the New Hampshire State Hospital Training School for Nurses in the class of 1921, has recently been promoted to the position of supervising nurse at that hospital.

**POLICE COURT.**  
In the police court, this morning, one man, charged with being drunk, was remanded.  
Garrett Hughes and Wilfred Warren pleaded guilty to a charge of trespassing on the property of the C. N. R. at 1.15 o'clock this morning. They said they were looking for a place to sleep. They were allowed to go, and told to get work somewhere.

**NOBLE CLAUDE NORTHRUP.**  
Many friends of Mr. and Mrs. Claude Northrup will regret to learn of the death of their son, Noble Claude, aged eleven years, which occurred at his home at Cole's Island, February 4, 1922. Besides his parents, Charles and Edna, he leaves three brothers, Fred, Gordon and John, and three sisters, Mrs. Gordon Foster and Miss Mary of St. John, Mrs. Herbert Perry of Cole's Island, and Misses Addie, Muriel and Dolly, at home, and one brother, Sterling, at home.

**PETRIFFIED APPLES**  
What is, perhaps, one of the strangest shipments which ever came through the port of St. John, came in some time ago on the steamer Canadian Spinner, from Australia. It was a shipment of two bags of petrified apples. The apples resembled a stone in color, and are just as hard. It is possible to cut through the core with a knife, but the body of the apple resists all attempts to pierce it. When the apples arrived here it was found that there was no coniferous for them and so it is not known to what use they were to be put to.

**MRS. JAMES IVINE.**  
The death of Margaret, wife of James Irvine, occurred at her home in St. Martins Monday morning after a lingering illness. She leaves to mourn her husband, four sons, Charles, Fred, James and John, at home; and three daughters, Mrs. D. J. Kelly of St. John, and Mrs. A. R. Duffy of St. John, and Katherine, at home; also four brothers, Michael of Windsor, Ont., James of St. John, and Charles of Barnesville, and three sisters, Mrs. Thomas Moran of Taunton, Mass., Mrs. Thomas Flanagan of New Hampshire, and Mrs. Annie Dwyer of St. John. Funeral will be held on Friday morning at St. Martin's.

**DIED IN ROSLINDALE.**  
The funeral of Charlotte, widow of William Robinson, was held from the residence of her son, John Q. Robinson, 192 Benn Avenue, Roslindale, Mass., on Saturday, to Woodlawn cemetery. The late Mrs. Robinson was born in this city thirty years ago, the daughter of the late Capt. John Harvey, and resided here until about twenty years ago, when she went to Boston. She had since been a constant visitor to her native city until about eight years ago, when her advanced age made traveling impossible. She is survived by two sons, William H. and John Robinson, both of Boston, and one daughter, the wife of James H. Hamilton of this city.

**REVIVAL SERVICE.**  
A meeting last evening in Ludlow street Baptist church, west end, in connection with the special revival services, was well attended. The meeting was in charge of the pastor, Rev. Isaac Brindley, who led in a hearty song service. Rev. J. R. Swetnam, the speaker of the evening, delivered a very earnest and interesting message on the subject "Who is on the Lord's Side?" in which he pointed out the many advantages of Christian life. The duet "He Lifted Me" was well rendered by Ralph J. Rupert and Mr. Swetnam. Messrs. Brindley and Swetnam also sang "The Great Judgment Morning." This is the third week of these special meetings, which are growing greatly in interest and helpfulness.

**FINED \$200 ON OPIUM CHARGE**  
Hum Sek Warned of 7 Year Dorchester Sentence—Fine of \$100 Against Another Chinese Allowed to Stand.

The case against Hum Sek, charged with having opium in his possession, and against Hum Woo, charged with being an inmate of the room in which smoking was taking place, was finished this morning.

E. S. Ritchie moved for the dismissal of the case against Hum Woo, as his evidence showed he had legitimate business in the room where Hum Sek said he was smoking. The magistrate said he did not like the part of his evidence in which he said he didn't know that smoking of opium was going on. A fine of \$100 was allowed to stand.

**BELIEVE HE IS SAME MAN WHO IS WANTED HERE**  
Fred Doucet, who is being held in Fredericton on a charge of forgery, is believed to be the man who, under the name of Joseph Boudreau, was given suspended sentence of five years before the magistrate here last Friday on a charge of theft of an overcoat from the Dufferin Hotel. In the event of his being acquitted of the forgery charge he will be brought to this city where a warrant has been issued for his arrest on a charge of obtaining goods under false pretences. It is alleged that he forged a man's name to an order for some paint. The detectives say that from the description they are convinced that he is Boudreau and they think that Boudreau is his real name. The suspended sentence will also be held against him if he is brought back to St. John.

## ARRANGING FOR N. B. CHAMPIONSHIP

Schedule to be Drawn at a Meeting on Thursday.

Game Tonight Decides the Northern Section—Sussex and Charlottetown Now in Running—Finance Matter in Question.

Fredericton, N. B., Feb. 8.—With two of the three sectional championships already won by Sussex in the western and Charlottetown in the eastern, officials of the N. B. and P. E. I. Amateur Hockey Association have completed preparations for making arrangements for the play-off for the championship of the two provinces.

Representatives of Sussex and Charlottetown will meet delegates from the winners of the Chatham-Campbellton game at Chatham tonight, which decides the title in the northern section, in a conference at Moncton on Thursday afternoon which Dr. Allan Sterling of this city, president of the league, will also attend, when a schedule for the championship play-off will be drawn up. The league winners will play the winners of the Nova Scotia League for the championship of the maritime provinces and possession of the Morton and Thompson trophy, now held by Sussex, for 1922.

Dr. Sterling also has another matter in the way of a financial dispute with the Maritime Branch of the A. A. U. of C. for submission to the conference at Moncton. He said last night that the league had already paid \$80 for sanction to President Covey's office and was now being called upon to pay another similar amount, which he did not believe was due. The N. B. and P. E. I. Amateur Hockey Association did not become affiliated with the C. A. H. A. this season, as originally intended, and are therefore directly under the maritime branch of the A. A. U. of C.

Last night's 3 to 1 win over Marysville clinched second place in the western section of the league for Fredericton. Whether Fredericton will have second place to themselves depends upon whether they can win from St. John again. If they lose, Marysville, St. John and Fredericton will all be in second place, having won 2 and lost 4 games each.

**AMENDMENTS TO COUNTY TAX LAWS**

Municipal Bills Committee Considers Proposed Legislation.  
At a meeting of the bills committee of the municipal council this morning bills recommended for drafting were considered and ordered printed and advertised. A proposed amendment of rates in the taxes act provoked considerable discussion and was decided to make it obligatory for employers of labor to send in statements showing the number of persons employed and the amounts paid of a year within a city, town or parish. It also provided that every non-resident parish pay a tax of \$5 upon entering into employment, and that employers shall notify the assessors within twenty-four hours of hire of strangers. They will also have to deduct a proportionate amount of taxes from their pay.

**Tax Exemptions.**  
A bill relating to T. S. Simms & Company was adopted which limits the assessment against the company to \$30,000 for county purposes, \$50,000 for school purposes in addition to the highway tax. A bill relating to hospitals was adopted and ordered to be forwarded to the Lieutenant Governor in Council praying that the same become law. It is to conform to recent hospital legislation for the payment for patients having no settlement in New Brunswick. A legal settlement means a continuous residence of a year within a city, town or parish. A bill relating to landlords was also adopted. During the year considerable discussion took place in the county council over sub-division owners collecting more taxes from a tenant or purchaser than the landlord himself had to pay. The new bill will regulate this and prohibit the landlord or seller from collecting more from a tenant or purchaser than he himself actually pays. In case of a dispute the assessors shall fix the valuation to be paid by the tenant or purchaser.

**Highway Bonds.**  
A bill authorizing the council to issue bonds to pay permanent highway work in Lancaster amounting to \$10,000 was ordered to be sent to the legislature. A bill enabling the establishment of a sewerage district in the parish of Simonds was ordered printed and distributed. This will enable the county council to set apart a sewerage area and issue bonds for the construction of sewers. This act will not come into operation until a plebiscite is taken in the district affected.

**EAST END CARNIVAL**  
A very successful carnival was held last night on the East End rink with nearly 600 people present. Many of the costumes were good and the judges had difficulty in picking out the winners but finally decided on the following—Ladies, first, Miss Margaret Andrews as the Forest Girl; second, Miss Gladys Connors, as the East End Hockey Rink; gentlemen—first, Kenneth Watts, as The Trapper; second, Timothy Treloar, as a Piano Lamp. The ice was in first class condition.
