The Marathons fell on Lee, the St. Croix twirler, in the third inning of yesterday afternoon's game on the local grounds and before the session closed had made four runs. They had one before the visitors' two so that left the game at five to two in favor of the home team. In the fifth came a slaughter, the Greeks battling Lee very hard and erroring them in doing so. Howard playing in right field missed one and after that right field was a popular place for the Greeks to send the ball. They made nine runs in that inning.

Howard was sent in to pitch in the seventh and was batted hard and runs piled up, again aided by bad errors. In the eighth, with three on bases, Shankley hit one to deep right. McPhee misjudged it, the ball was lost and four runs came in.

The St. Croix men hit Tarbell fairly freely, and made six runs, the last one a homer over the right field fence by Jacobson. Naturally the game lost its interest on account of the one-sidedness, but at that it was rather spectacular as a heavy hitting exhibition. Pease and Waterhouse worked a sensational squeeze play successfully. The score—

"How did that story pan out about the man up the Bronx who found the big halibut on his back stop this morning?" asked the city editor.

"Nothing in it," replied the reporter.

"He discovered it wasn't a halibut after all. The leeman left it there."

## MANCHESTER ROBERTSON ALLISON, LIMITED.

COCHRANE GIVES  
WAY; RATES ON  
I. C. R. TO BE CUTA Back Down By Government—  
Labor Dispute Ended, is Mon-  
ition Announcement

Moncton, Aug. 8.—After a review of the rate adjustments resulting from the revised freight schedules adopted by the late board, the management of the Intercolonial Railway have reached the conclusion that some modifications are desirable in some of the schedules, particularly those affecting the movement of some of the lower-priced commodities or where too great a disturbance of the commercial conditions has resulted from the present schedules.

The rates on live stock under the revised schedules now in course of preparation will be increased but little, if any, over these in effect prior to May 1 last. While the revised schedules on lumber will be provided for a small advance per car, the amount of such will be reduced to a figure more in accord with existing market conditions. On pit props and pit timber the former rates will be restored.

It has also been decided to restore the former minimum charge as made on small consignments.

The actual changes will be announced in the tariffs of the railway as soon as the detail work can be completed.

Moncton, Aug. 8.—The conference between the I. C. R. management and C. of B. of E. committee was concluded today, but the agreement was left over to be signed at a further meeting next week.

Mr. Mosher, grand president, gives out a statement that everything is satisfactorily settled, but the details are withheld for the present. The increases, he says, range from 85 to 115 per month. General Manager Gutelius left this afternoon for Montreal.

## HUMILIATED WOMAN

Would Not Attend Social Functions  
Because of Her Hair

There are many women in this world, handsome in features, perfect in form, graceful of movement and brilliant of mind, who keep in the background just because they have thin, colorless and hairless hair.

In Paris they understand things about the hair that we do not know in this country. It was a Parisian, Dr. Sangerbon, who discovered that thin hair and dandruff are caused by a microbe.

Dr. Sangerbon's theory to be correct, for it is rigidly guaranteed to kill the dandruff germ and cure dandruff, falling hair and itching scalp in two weeks or money back.

Parisian Sage is a delightfully pleasant hair dressing and invigorator; it is not sticky or greasy. It should be used freely in Spring and Summer, as it keeps the scalp clean and cool and free from odors.

Parisian Sage comes in large 50-cent bottles and is for sale by all druggists and leading druggists everywhere on the money-back plan. "The Girl with the Auburn Hair" is on every package. Made in Canada by The 2. T. Booth Co., Ltd., Fort Erie, Ont.

THE "MAKE-UP" STONE  
MARKS HIS GRAVE

Epitaph by William Dean Howells Recites Virtues of His Brother, a Veteran Editor

One of the most remarkable grave-stones on record was placed in the cemetery at Jefferson, Ohio, recently.

It stands at the head of the grave of J. A. Howells, veteran editor of the Ash-tabula Sentinel, who died recently. It consists of the "make-up" stone used by Mr. Howells for fifty years during his

successive evolutions as printer's devil, printer and editor. On it is inscribed a verse written by William Dean Howells, novelist, a brother of the dead man. The verse reads:

Stone upon which, with hands of boy and man,  
He framed the history of his time un-til,  
Week after week, the varying record ran  
To its half-century tale of well and ill,  
Remember now how true through all those days  
He was — friend, brother, husband, son;  
Fill the whole limit of your space with praise,

There needs no room for blame —  
blame there was none.  
The boyhood of William Dean Howells was passed to the office of the Sentinel. The father of William Dean and J. A. Howells was editor of the paper.
