This is a renedy so universally known to surpase any other for the cure of threat and lung complaints, that it is un-isses here to publish the erifective of its virtues. It is universalled excellence for coughs and colds, as d its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities or even families, strong them who have not some personal experience of the effects some fiving truly in their middle of the wheely over the middle and dangerous diseased of the threat and lunger. As all know the dreadful fataity of these diseasers, and as they know, not, the effects of this reinedy, we seen not the truly and the confidence of the threat and the civil cure that it did have when that it has no all the virtues that it did have when the truly consistency of the confidence of mankind.
