REPORT OF THE PHYSICIAN TO THE INSTITUTION,

BELLEVILLE, October 1st, 1885.

R. CHRISTIE, Esq.,

Inspector of Prisons and Public Charities, Ontario.

SIR,—In presenting my Annual Report it affords me very great pleasure to be able to state that the past session was one of the healthiest in the history of the Institution. During the entire year the healthfulness of the pupils was marvellous, not a case of serious illness having occurred among them, and but few of sufficient importance to cause any of them to be absent from the class-room for more than a day or two at a time. As a matter of course we had several suffering more or less from colds during the damp seasons, in addition to the usual number of trivial complaints peculiar to young and growing children.
