FIGHT OVER RAILWAY BILL. Majority of United States Senate Con mittee Favor Commerce Court.

Washington, D. C., March 8. - The fight over the Taft-Eykins railroad bill opened in earnest yesterday when the najcrity of the senate com interstate commerce brought in a re port defending the measure and replying to the severe criticisms offered by

he minority report last week.

This came shortly after the action of the committee on commerce in strik-ing out that section of the administration measure which permitted a railroad to buy all the stock of a competing line if it already owned more than half

The majority report in the senate declared that the establishment of the proposed commerce court would prevent the uncertainty of the law which now results from the fact that so many different courts are passing on commerce cases. It was contended that this new court also would prevent delay. The "insurgents" alleged that the clause removed by the committee would

have legalized the Harriman merger of the Southern Pacific and Union Pa-

Mr. Shallcross asked the chairman if
the commission was satisfied that
Lloyds was willing to write policies from the provisions of the measure rewithout any other company being on garding the purchase of stock in other The presidents of the railway com-

panies suggested the two provisions which were removed. The railroad orporations will bring all their power to bear to defeat the bill, it is said, Pass: inless they have assurances that the committee's action will be counterbalanced in some other manner.

#### PIONEER RESIDENT FOUND DEAD IN HOME

Her Residence on Menzies Street

Tsuboi, K. Salo, T. Anodera, R. Miwake, S. Suzuki. Search work will be kept up for several days along the edge of the slide near the track in an effort to find more omething was wrong. They went to bodies, but last night the officials admitted that most of the missing must have been carried by the front of the avalanche into the chasm of Bear creek, fifteen hundred feet below, and

> The great part of the slide taken out was removed by the shovels of the six hundred men engaged, for the use of rotary ploughs was prohibited because of the danger there would be of cutting under the snow. The slide was packed

> VICTIM OF ACCIDENT WAS KNOWN HERE

Roger's Pass, Has Friends

The bodies of T. Griffith, fireman, and John Mahon, brakeman, respecwas a resident of Revelstoke. His

announced later.

on Coast

John Mahon, one of the other victims left Vancouver less than a fortnight ago to begin his railway career as a brakeman. He was born at Paisley, Ont., 30 years ago, being the son of the late John Mahon, of that place. The family is well known to many residents of Victoria who came from Paisley. Before locating in Vancouve last summer he resided in North Dakota for many years. He was a young man of exemplary habits. The date of the funeral, including a church service, will be announced to-morrow.

A brother, C. E. Mahon, his mother and three sisters, Mrs. McDuffy, Mrs. Switzert and Mrs. McTavish, live in

COMING TO CANADA

Will Follow Removal of Surtax

Toronto, March 8 .- Lee Straus, of Comistatt. Germany, arrived here yesterday and is registered at the King Edward hotel. Mr. Straus when quesmoval of surtax on board the George Washington, and on that vessel there were nearly one hundred travellers of prominent firms who were going to work through Canada. "The exclusion of trade from other countries make norning was appointed minister with- the home manufacturer lazy and competition is the best thing for any coun-

try," he remarked. With regard to the possibility of an legislative council, Mr. Allard having armed conflict between Germany and esigned to contest Drummond, where Great Britain Mr. Straus did not think

BISHOP OF LINCOLN DEAD.

London, March 8 .- The Bishop of
