I know lots of men, but so one of that

friends the question?'
'Not at all,' he said, eager to be of any

'He must be a good-looking fellow from your picture of him, he said, feeling rather 'Yes, he is handsome-in his way. I have lost sight of him for years, and am

anxious to see him again.' 'An old friend theu? 'Yes, a very old friend.'

dushing as she answered it. Was the have felt much more comfortable had he 'I will 'ask about, as they say in the West,

and let you know,' he said, bidding her dien.

'Good morning, Mr. Bourchier,' said Mrs.
falville. 'I am glad to have seen vou. I

Melville. 'I am glad to have seen you. I knew your father. I danced with him years if he has changed as much as I have?'

rather sadly. 'Sometimes I fear he is breaktitles in the land.'

He was glad to find that Mrs. Melville she had more to say. knew his father. He fancied she was nearly related to Frances, and it was pleasant to own station in life. Not that it made any difference to him; but by and by, if things were right, he would have to tell his father Allan ground his teeth. and mother of the happiness he had won.

ville, after his departure. 'He means well, my dear. He is good and honest, and by no means a fool. He is the eldest son, and write—each would rather have spoken; but Redhills is a fine property.' 'So much the better for him,' said Frances.

'Yes. There is no position so pleasant as a country gentleman's. His father was member for the country; very likely it will What could be find to say in defence of be his turn some day. Frances said nothing

He was not much liked then; he was proud, and people whispered funny tales about him.

'Did that make him settle down?' 'I don't know,' said Mrs. Melville, not "I don't know, said Miss. 'Per-noticing the absurdity of the question. 'Per-He caught her hand and drew-her to him. haps it did. Lawsuits are great trials-all

my husband's money went in one. Mrs. Melville, during Allan's visit, had Mrs. Melville, during Allan's visit, had seen what frances had not seen, or pretended she had not seen. There were little signs, tokens, ways of speech which resigns, tokens, ways of speech which revealed much of the game to an experienced looker on. With the keen interest she felt in the girl, nothing would have seen her married to a suitable person, and Allan seemed to fulfil every requirement. With her strange doubted now, knowing that the girl would ideas of the stage, it never entered into her have suffered no man's arm to hold her unhead to doubt that Frances, even at the outset of her promising career, would, without set of her promising career, would, when the same said, quantity, then with a feeling of strangely blended happiness, love, shame, and safety, she laid her head on his should and sobbed. would hold such a good position in the county of Westshire as Allan when he became Bourchier of Redhills. The opposition she feared would come from his family. Naturally, they would object to his taking an actress for his wife, though she could not thinking, in spite of her prejudices and the exalted part. in spite of her prejudices and the exalted value she placed upon county aristoracy, no, the day after—and tell them all about that Frances would be an acquisition to any it at home, said Allau, as he left her. family she entered. So the kindly old match-maker hoped the young fellow would charge would feel as much moved by the would not be pleased at the step he conten modern love songs as she had been by the plated.

old ones in the days of her first attachment. Oh. ves. he called again and again-very often, in fact. He called with varying success, as sometimes he found the ladies alone, sometimes with many visitors; for Mdlle. Francesca's circle of acquaintance was rapidly enlarging. He met men he knew there that little drawing-room made him grind his about the sun, over 250 others have been teeth with rage. Yet he could not blame her. According to the customs of society, they might have called on his mother or his Never hire a person who wants to know sisters, and, moreover, Mrs. Melville's why you want something done.—Milwaukee sheltering wing was always over her.
