PARKS' COTTON WARPS, only 65c. per bundle at J. D. Creaghan's great sale—also heavy grey cotton sheeting worth Sc., only 5½c.

McKey, and with the manner in the C. P. R. train this afternoon. He is delighted with all he has seen, and with the above him.—[St. John Globe 20th.

PARKS' COTTON WARPS, only 65c. per bundle at J. D. Creaghan's great sale—also heavy grey cotton sheeting worth Sc., only 5½c. Dr. Inch said he was overwhelmed with the kindness of Father Joyner and Dr. McKay, and with the manner in which the world be to know that our schools were holding their own with the achools of other place, and that our schools were helding their own with the achools of other place, and that our schools were he had received the motion. He audience had received the motion. He audience had received the motion. He regarded this meeting as the best of the color. It was also the largest and best looking meeting.

Rev. Mr. McCoy moved a vote of thanks to the chairman.

Rev. Mr. McCoy moved a vote of thanks to the chairman.

Rev. Dr. McKay seconded it. He grown, was groomsman. The bride looked this place to stand equally with the rest and heat in the Province. By his own knowledge of the people of Chatham, he knew that there was a latent capability of high and noble things, which requires to be frawn out, and with the facilities we have lace with the best in the Province, that it and that we shall be prought to say that we have said the received are difficult of the clevation and to its week's the Institute proceedings for this week's the process of the process of the institute proceedings for this week's the process of t

Hop. Mr. Tweedie said he never felt so sompany of so many clergymen [laughter] and he had never heard so many clergymen and he had never heard so many clergymen address an andlence, when there was no collection taken up [lenghter.] They must all be gratified with the addresses of the different speakers, and the large attendance to night must also be gratifying to the laspector and the General Superintendent. It was the largest audience that had ever attended such a meeting in Chatham. It howed the interest the people of the town elt in the subject of education and was vidence of the wiedom of the amalgamation of the districts. The incorporation of the town had caused a desire on the people's part for the greater efficiency of their schools. Referring to the subject of taxation he said the people of Chatham realised that their town was the largest on the North Shore and they had an ambition to see that their educational advantages were second to none in the province. He had we are quoting pr o doubt that under the new order of things ble and at an early date. He believed

amusingly suggestive of his newness to the

positions in which it is his evident ambition

DEAR SIR .- There was a large and approciative gathering of the people of Barnaby
River on Friday last to listen to a lecture
by Professor Robertson on the important
public administration, to proceed on superAu error made at this time by the by Professor Robertson on the important subject of dairying. He showed plainly the losses made in dairy work by not working on the right system. He was accompanied by Mr. C. Dagle, who made some beautiful character of every conviction that enters his it.

An error made at this time by the use of common medicines, imitations and vile substitutes may lead to complicated troubles character of every conviction that enters his it.

Thousands in this land of ours have by Mr. C. Dagle, who made some beautiful butter, which he exhibited during the various stages of the operation. The cream farminded he said was amongst the best, and was less than two gallons, but it made nearly is its pounds of fine butter, Our beloved pastor and the Rev. Father Richard of Rogersville honored the meeting with their presence. The latter gentleman was called to address the meeting, which he did in an able and cloquent manner, which would sale and cloquent manner to sale and suffering by the use of Paine's Celery Compound in this land of ours have thrown off the shackles of disease and suffering by the use of Paine's able and cloquent manner, which would make anyone proud of being a farmer if they had been listening. He said he was glad to learn. Our streets, sidewalks, imperfect for the name "Paine's" and the stalk of see that the governments were waking up to fire organization, etc. demonstrate that. the important duty of assisting the farmers, and he believed it was the intention of the not learned, good manners may be enumer-Government to assist them in the future.

He paid a high compliment to the people of in that respect will prevent him from fall-Barnaby River and said it was always a ing into the error of charging mendacity great source of pleasure to be amongst upon others, when he himself is guilty of that sin, and those whom he assails, innocent. the tale ted and experienced Mr. Robertson
was to give such valuable lessons in dairying.

that sin, and those whom he seems, and those whom he seems are the seems and the seems and those whom he seems are the seems and the seems are the seems are the seems and the seems are the see To say that the people were pleased to hear their former pastor addressing them would be putting it lightly.

At Moorfields, Newcastle, on Tuesday evening, 13th Oct, inst, Elles Orceble, widow of the late as freely as his has been of late, for it

gave some valuable information on butter- they have been accustomed to look as emmaking, after which the meeting closed by bodiments of all the virtues, are no more a few well chosen remarks by the professor, reliable than were Ananias or Gehazi. We whom we all hope to see again.
