A LIBELLER OF THE FISH.

In a contribution to the New York World, George Cary Egleston justifies fishing and arraigns the fish themselves as the most cruel of creatures. He says: "So low in the scale is the fish that even the scale is the fish that even stained his appearance. This testimony will. I feel sure, be very gratifying to the people of Great Britain, and of the Greater Britain whose sons have mer was retained by the interested parties to secure the delay. No one claims that the Grande Lake is not per-fectly seaworthy, but the Monticello disaster has caused a desire for greater precautionary measures. QUEBEC CAMPAIGN. 'So low in the scale is the fish that even in eating he has no pleasure except that of distribution distribution of the stomach. For the scientists find no 'taste goblets' at the base of his tongue, and every fisherman knows that the fish swallows his prey whole, with no pos-sibility of detecting its flavor. And further, every fisherman who has tolled knows that the fish is so far an indiscriminate gormand in his search for food that he will swallow a coffee spoon with a burr attached as readily as the daintiest bait morsel that could be displayed in front of his greedy eye and his shared to the fullest extent in the suffering as well as the glory of the war, and who have helped so materially to bring it to a successful close. I know how keen my fellow-subjects will be to show their appreciation of the upright and honorable bearing as well as the gallantry of our sailors and

soldiers, and I would entreat them, in displayed in front of his greedy eye and his return for all these grand men have done for them, to abscain from any

very little interest has been mannest ed by either side in the provincial campaign. The conservatives have no hope of defeating the Parent gov-ernment, but will, in view of the sweep of the Laurier government, be content to hold their own. Hon. E. C. Flynn, leader of the opposition, has head, the moment his horns' are hard, ceases to be in danger even from the most voracious of pickerel. "The fisherman is not a monster of wan-

ton cruelty. He is merely a descendant of Adam exercising dominion over our inferior creatures

LONDON, Nov. 30.—A despatch from Manila to a London salvage association says that the United States transport Indiana (ashore on the east side of the Isle De Rolillo) is apparently undamaged. The Pennsylvania and Hermina have gone to her assistance. She will probably float after lightening.

York, and sail for England on the 28th inst. WILL BE CALLED TO ACCOUNT. WASHINGTON, Nov. 21.—The develop-ments in the Colombian revolutionary move-ment are being watched here with keen in-terest, as well as with some anxiety. This Washington and color the Sun's business offices. Sum Printing Co., St. John Sun Printing Co., St. John Washington and color the Tugmen's union, was the patient. Owing to a complicated throat trouble Mc-Donald was unable to take nourishment in the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-the usual way. The surgeons held a con-sultation and decided to give the patient a new mouth. Ether was applied and an in-suite the stomach. A tube was inserted and the patient now receives nourishment through the tube. In medical science the operation is known as "Witzell's method of gastrotomy."

thing to fear from "the man in khaki,"

no matter how battered and war-

action that might bring the smallest

discredit upon those who have so

worthily upheld the credit of their

country. I am induced to make this

appeal from having read with great

regret, that when our troops were leav-

ing England, and passing through the

streets of London, their injudicious

friends pressed liquor upon them, and

shoved bottles of spirits into their

hands and pockets-a mode of "speed-

ing the parting" friend which resulted

in some very distressing and discred-

itable scenes. I fervently hope there

may be no such scenes to mar the

brightness of the welcome home.--I re-

TRICKS OF THE TRADE.

A visitor at one of the local prisons

became interested in one of the pris-

oners, who was being detained for picking pockets. He frankly admitted

his guilt and spoke of his business in

the same way that a tradesman would
