

A CLERGYMAN'S INFLUENCE.

Paine's Celery Compound
Recommended by
Rev. C. M. Tyler, a Methodist
Minister of Nova Scotia.

It Saves the Life of Mr. George
W. Parks.

A Gain in Flesh of Thirty-
two Pounds in Three
Weeks.

Amongst professional men who are active and ardent advocates of Paine's Celery Compound, clergymen are found who never weary in recommending the wonderful medicine to members of their churches who are ailing, sick and diseased.

The true and honest clergyman who has himself experienced the life-giving powers of Paine's Celery Compound—who has been raised from weakness of body to full health and vigor, feels it a duty to speak to others of the only true health and strength builder that the world has ever seen.

Mr. G. W. Parks, once near the dark grave, but rescued and saved by Paine's Celery Compound after failures of his doctors, sends the following letter:

"While at sea I was taken sick, which compelled me to abandon my work and seek home and rest. I consulted the doctors who pronounced it typhoid or slow fever. I suffered severely from night-sweats, and cold chills during the day. Added to this I was extremely nervous, which weakened me and reduced my flesh until I was a mere skeleton. This continued until last winter, when my wife and friends began to despair of my recovery, as the medicines I took produced no good, and I was gradually growing worse.

"Through the influence of the Rev. C. M. Tyler, I was induced to give Paine's Celery Compound a trial, and I can truly say it worked wonders. The first bottle gave me great relief, and five bottles completely cured me. I gained thirty-two pounds in three weeks, and am now strong and healthy. I would urge the suffering everywhere to give Paine's Celery Compound a trial.

Personal

Rev. C. W. Townsend, of Hillsboro, returned last week from Nova Scotia, having paid a short visit to his friend, Rev. J. Webb, of Kingston.

We are pleased to observe that Pastor Webb's people have shown their appreciation of his services by presenting him with a sum of money to assist him in paying the expenses of a trip to England, which he hopes to make shortly in order to visit his old home and friends.

Prof. F. R. Higgins, of the State Normal College, Terre Haute, Indiana, has been appointed chairman of the executive committee of the mathematical section of the Indiana State Teacher's Association. Prof. Higgins is a son of Prof. D. F. Higgins, Ph. D., of Acadia.

The Vancouver World of the 14th inst., states that Rev. W. B. Hinson, of the First Baptist church of that town, who had been in Southern California, had just returned home, and that he is much improved in respect to the throat trouble with which he had been suffering.

Rev. I. W. Porter, of Valley Falls, R. I., has accepted a call to the pastorate of the Bear River, N. S., church, and is expected to enter upon his duties there the first of April. Mr. Porter was graduated at Acadia in '87, and at Newton '94. He then entered upon pastoral work in Rhode Island, and has been in the State ever since. We learn that his labors have been blessed at Valley Falls, and that he is finding it hard to leave a people in whose love and confidence he has become strongly entrenched. Mr. Porter, however, feels a strong attraction to his native land and the fellowship of the Maritime Baptists. We are sure that he will be welcomed back with great cordiality, and we trust that a rich blessing may rest upon his labors at Bear River.

The Alms House Commissioners of Charlotte County,

in asking for tenders for supplies for that institution a few weeks ago, stipulated that the tea must be "Red Rose or equal." This proves that in the estimation of the commissioners Red Rose Tea is a standard article by which other teas are to be judged. Red Rose Tea always gives satisfaction.
