

THE WEATHER.

MARITIME:—Moderate to fresh westerly winds, fine and warm. Toronto, Ont., June 13.—A few local showers have occurred today in the Gulf of St. Lawrence and in New Brunswick, but elsewhere in Canada the weather has been fine and warm.

AROUND THE CITY

Leg Broken.

Fred Burgess had his leg broken while working in Murray & Gregory's mill yesterday afternoon, and was removed to the General Public Hospital. He was reported to be resting easily last night.

Government to Visit Oil Wells. Premier Hasen and the members of the local Government will today make an inspection of the oil and gas wells near Moncton which have been reported as of great volume. They will leave on the early train this morning returning probably tonight.

Dredging Almost at Standstill. The dredge Cynthya of the Maritime Dredging Company's fleet which has been laid up for repairs was towed to Rodney slip yesterday. Considerable work yet remains to be done on her and it will be some weeks before she is again in commission. The dredge Saugus is still on the blocks and the Iroquois is on the job alone.

Ladies' Auxiliary Seaman's Mission. A meeting of the Ladies' Auxiliary of the Seaman's Mission was held in the Institute on Prince William St. yesterday afternoon. The question of taking charge of one of the booths to be established in the exhibition buildings under the control of the Women's local council was discussed, but it was decided to defer making definite arrangements till another meeting.

Big Catch of Salmon Trout. A fishing party of six have just returned from a week's sporting on the South branch of the Oromocto where the water teams with salmon trout. It is said that 360 of these were caught by the party, 70 of which are credited to the piscatorial abilities of Roland Smith. Other members of the party were Messrs. R. M. Smith, W. G. Smith, George Jenkins, John Sutherland and Grant Smith.

China Wedding Anniversary. Mr. and Mrs. John R. Hopkins, of Brookville were given a surprise party last evening, the occasion being their china wedding anniversary. Upwards of 60 of their friends, including a party from St. John, appeared at their residence about 8 o'clock, and presented them with a china dinner set. After the felicitations, an impromptu programme was arranged and guests, and hosts spent a merry evening.

Closing Examinations. The closing examinations at the Wiggins Orphan Institution were held yesterday afternoon by two of the governors, Rev. W. O. Raymond and Rev. H. A. Cody. There are at present in the institution 25 boys between the ages of five and fourteen. Everything was found to be in good order by the examiners and the boys were receiving every care. The boys will leave during the latter part of the week for Ketepec on the C. P. R., where they will spend the summer.

From Peking to Visit Old Home. Mrs. Ker, wife of W. P. Ker, of the British Legation at Peking, passed through the city at noon yesterday for Sussex, where she will visit her old home for the summer. She was accompanied by her sister, Mrs. Murray, wife of Professor W. C. Murray, of the University of Saskatchewan, and Mrs. Forsyth, of Sackville, who went far as Montreal to meet her. Her husband, of the Royal Bank of Canada at Havana, joined the party here. They will spend some weeks in Sussex.

Examinations for Teachers' Licenses. Examinations for first and second class teachers' licenses will begin today, and continue till Friday. Six candidates, who have been attending the Normal school, will be examined—four at the Centennial school and two at St. Vincent's Convent. Mr. McLean, the school inspector, will conduct the examinations at the Centennial school, and John March at St. Vincent's Convent. All the candidates come from outside the city. Five are seeking first class licenses, and one a second class license. Examinations will also be held simultaneously at Fredericton, Chatham and Moncton.

Three Inquests Within a Week. Coroner Herryman last evening presided over three inquests for the purpose of holding juries into the death of Frank Carberry, who lost his life in the cave-in on King street East and into that of the infant found on Courtenay Bay flats Saturday morning. An inquest into the death of Mrs. Emma Hooper, of Watford, Mass., who died suddenly in the General Public Hospital on Monday, June 6, will be held this evening at 7:30 o'clock. The inquiry in the case of an infant who died on Thursday and in the case of Mr. Carberry on Tuesday, June 21.

A Week in the Country. The Order of Kings' Daughters and Sons have now on hand a fund sufficient to begin fresh air work, but in order that it may be expended so as to do the greatest amount of good they are anxious to hear from any friends of the movement willing to take a child for a week or so into their homes. Miss Pratt, general secretary of the Kings' Daughters' Guild or Mrs. George A. Henderson, King street East, or Miss Blanche Thomas, Dorchester street, would be glad to hear from any who would like to have a share in this work, and shelter and "mother" the little ones for a time. Gifts of clothing will also be gratefully received.

Sale of New Blouses at M. R. A.'s. This morning will usher in a sale of more than usual interest to the ladies. A special purchase of smart new blouses, comprising seventeen of the season's handsomest patterns will be offered at one very low price. These waists are in a fine quality of white lawn, heavily trimmed with lace insertions and the prettiest of embroideries; seams all finished with beadings. Come promptly. Sale will commence at eight o'clock in waist section, second floor.

A new line of G. B. hand made creams, just opened at White's, King street.

DR. WILLIAM WARWICK TO BE BACTERIOLOGIST

Provincial Appointment Made at Government Meeting Yesterday—To Combine Pathological Work.

At a meeting of the provincial government held in the government rooms yesterday afternoon Dr. William Warwick of this city was appointed provincial bacteriologist to succeed Dr. G. A. B. Addy resigned. Dr. Warwick will enter upon his duties at once. The salary for the position as fixed by the province is \$500 per year. It has been arranged that Dr. Warwick shall do the pathological work at the general public hospital and that the doctors now doing that work will turn over their fees to him. This will make the salary for the combined offices about \$1,500 per year. Dr. Warwick will have a laboratory at the hospital and will attend there. Dr. Warwick is a son of O. H. Warwick of this city. He is a graduate of McGill and stood high in all his classes. Since his graduation he has engaged in private practice at Westfield and in the city. His appointment will be a popular one among the members of the medical profession. The government also appointed T. J. Allan to be police magistrate at Westfield. Most of the time of the meeting was taken up with the discussion of provincial hospital matters. Subsequently the members of the government as hospital commissioners visited the institution.

WELL SATISFIED WITH HIS SCOTCH COLONY

C. S. Cossor in City Much Pleased With Farm for Boys at Gagetown—Four More Arrive Today.

C. S. Cossor, of Edinburgh, Scotland the wealthy Scotch agriculturalist, establishment of a colony of Scotch who is interested in the plan for the boys on his farm near Gagetown, came to the city yesterday from Gagetown where he has been visiting his farm for the first time since he purchased it about a year ago. Speaking to The Standard last evening Mr. Cossor said he was greatly pleased with the farm. He has a number of boys there now and four more will arrive today. He will spend another week on his farm and will then return to his home in Scotland. Mr. Cossor expressed himself as entirely satisfied with the progress already made with his colony. The boys already there, he said, like the home provided and are happy and contented.

GEODETIC SURVEY AS FAR AS MONCTON

Party of Engineers Start from St. John Tomorrow—Will Take Six Weeks to Complete Work.

T. C. Dennis, of Ottawa, and party, are at the Victoria, to do "precise leveling for the Geodetic survey along the I. C. R. from St. John to Moncton. Altogether there are to be seven in the party, three of whom arrived in the city Sunday morning at 2 o'clock and the other four are expected today. Work will commence tomorrow when a camp of three tents will be pitched at Coldbrook, the party cooking their own meals and being independent of their surroundings. The purpose of the work is to establish elevations between St. John and Moncton for the use of railways and engineers and for Government maps. Copper bench markers will be placed in permanent masonry structures at distances of three miles along the railway and on public buildings. It will take six weeks to go from the union station here to Moncton about three miles a day being covered. A handcar will be used for the work. Mr. Dennis, who is in charge of the party, graduated in engineering at McGill this year. Two other members are J. C. Reid, of the Geodetic survey who surveyed along the C. P. R. line and at Bay Shore last October, and Gordon Herridge, who is taking a science course at Queens university, Kingston, Ont. Mr. McKim, of Smith's Falls, Ont., is expected tomorrow. Two parties are doing similar work in Ontario and Manitoba.

DEATH OF CHARLES KNIGHT

Sad Intelligence Received from Edmonton, Alta., by Relatives Yesterday—Well Known and Popular in St. John.

A popular young St. John man passed away yesterday in Edmonton, Alberta in the person of Charles Knight, son of the late Joshua Knight of this city. Mr. Knight who was in the service of the Bank of British North America here went west a year ago last March and has been in the branch of the bank in Edmonton since that time. News of his death came in a telegram to his relatives here, but no details were sent and the cause of death is not yet known. Mr. Knight was in poor health when he left home but no word had been received of a recent illness and the news of his

PLANNED LABOR TEMPLE FOR ST. JOHN UNIONS

Bricklayers and Masons Met Last Evening—Sub Contracting on Plastering Contracts Sanctioned by International.

At a meeting of the Bricklayers and Masons' Union last evening, a committee was appointed to consider the question of establishing a labor temple in a central locality, where the workers may fraternize, hold meetings and conduct educational campaigns, reported progress. It is expected that the matter will be taken up by the Building Trades Council, and that an effort will be made to secure the erection of a labor temple in St. John before the Trades and Labor Council of Halifax are able to erect the temple they are talking of building. A communication was received stating that the International Union, which has long opposed the granting of sub-contracts, has entered into an agreement with the Operative Plasterers International Union to the effect that no objection will be taken to the sub-contracting of a plastering contract when the general contract exceeds \$50,000, pending the decision of the next biennial convention of the Masons and Bricklayers Union. Canadian unions will not, it is said, be much affected by this provision. A special meeting of the union will be held on Wednesday evening to consider the report of the delegates to the Building Trades Council, and make final arrangements for taking advantage of the International Union's mortuary benefit system. An open meeting at which several speakers will point out the advantages of organization for the benefit of the uninitiated will probably be held in the early part of the evening.

A. R. CAMPBELL FOR ALDERMAN-AT-LARGE

Three Candidates Mentioned for Vacancy in City Council—Ex-Ald. Scully Files Nomination Papers.

It was stated last night that A. R. Campbell, of the firm of A. R. Campbell and Sons, tailors, Germain street, would be a candidate for the vacancy in the council created by the appointment of J. King Kelley to the office of county secretary. Ex-Alderman W. E. Scully has already filed his nomination paper for the representation at large, and it is said that George A. Chamberlain will also be in the field. The ward lists are now out and the belief is that a fairly large vote will be polled. Nominations close today and elections day has been fixed for Tuesday, June 21.

WANT C.P.R. TO LEASE TOBIQUE EXTENSION

J. E. Stewart in City to Negotiate for Funds to Build Road—Would Open Up Fine Country.

J. E. Stewart, of Andover, is in the city with the object of inducing the C. P. R. to enter into an engagement to lease the proposed extension to the Tobique Valley Railway.

"The C. P. R.," said Mr. Stewart to The Standard, "now has a lease of the line from Perth to Plaster Rock, paying 40 per cent. of the gross earnings, and we will proceed with the work of extending the road 28 miles to the forks of the Tobique if we can make arrangements to lease the extension, on the same terms. The branch would, we think, soon earn \$1500 per mile, and 40 per cent. of that, \$600, would pay the interest on the bonds we would have to issue to build the line. The proposed extension would run through the New Brunswick Land Company's holdings and make it possible for them to increase their revenues. Hon. Chas. E. Oakes, the present manager, whom I saw today, is impressed with the possibilities that the extension would open up for the operation of the company. The road from Perth to Plaster Rock is paying its way all right. Last year it handled 25,000,000 feet of sawed lumber. The proposed extension would enable the lumber operators to set up their mills along the valley of the Tobique, and utilize a large amount of forest growth that it would not pay them to put in the river. Besides there is a deal of good farming land in the valley and a fine class of men from the Old Country are settling there."

"We hope to make satisfactory terms with the C. P. R., but if not we can probably come to some understanding with the G. T. P., which may connect with our line at the forks of the river." Mr. Stewart added that lumbering operations on the Tobique have been larger during the past season than in any previous year.

decease came as a great shock to his relatives. He was very popular here and was regarded as a bright young man with an excellent future. He was for some years a member of the Trinity choir and appeared with success on the concert platform. His death at such an early age will be much regretted. Mr. Knight is survived by his mother who lives at 14 Richmond street, two brothers, Ernest of Vancouver and Henry in Lunenburg, B. C. and three sisters, Miss Louise who is at present in London and Misses Jessie and Ruth at home. Mr. Knight was 25 years of age. The body will be brought to this city for burial.
