## Training Quarters For Carpenter

French Champion Will Do His Work at Manhasset for Fight With Dempsey.

New York, May 13.—George, Carpenter's training quarters at Manhasset, Long Island, where he will train for his fight July 3 with Jack Dempsey, have been completed, it was reported today.

Besides the outdoor arena where the European champion will stage his sparring partners, an indoor ring has been constructed for use in inclement weather.

Tex Rickard, promoter of the championship bout, said today he was reasonably sure that the arena being erected in Jersey City would be completed by June 15. The box office sale of tickets for the bout began at Madison Square Garden today.

## Outdoor Meet This Afternoon

Y. M. C. A. High School and Business Boys' Class Will Have Good Programme.

The Y. M. C. A. High School Boys and the Business Boys' Class are planning on holding an outdoor track meet at the "T" this afternoon. The block around the Public Library was measured off yesterday, and it was found that it would serve as a running track with six and a half laps to the mile. A track for the century was measured from Chipman Place, starting at the Dominion Express station and running down to the "Y" track course. The events to be completed in this afternoon will be the mile run, the hundred yard dash, 12 ft. shot put, the pole vault and the running broad and high jumps. A class of between twenty and twenty-five will take part. Physical instructor or William Bowie will direct the meet.

## Oxford Athletes May Meet Tigers

Cable Suggestion for Dual Games With Princeton After Yale-Harvard Event.

London, May 13.—The combined Oxford-Cambridge track and field team has accepted, provisionally, the invitation to hold an international track meet to be held in Boston in July. The English collegians will sail for the United States early in July, and the combined game will be held in the Harvard Stadium on Saturday, July 23, according to present plans.

Capt. B. G. D. Rudd of the Oxford team also has cabled to the athletic authorities of Princeton suggesting a seven event dual meet between Princeton and Oxford, to be held after the Boston games. Cambridge 2180 may arrange a somewhat similar meeting with Cornell.

The Oxford athletes selected for the trip to the United States include A. I. Reese, formerly of the University of Nebraska, for the sixteen pound shot-put; G. A. Trowbridge, former student at Princeton University, for the running high jump and the hurdle races; Capt. Rudd for the mile and 100 yds. runs; and R. Milligan for the intermediate runs. Macnokes for the sixteen pound hammer throw, and I. Ingraham for the running broad jump.

Says Princeton Will Accept.

Graduate Athletic Manager Geo. M. Murray of Princeton University in discussing yesterday the probability of a dual meet between Oxford and Princeton, stated that although the cable despatched by Capt. Rudd of the Oxford team had not yet arrived it would find Princeton in a receptive mood.

"Until the cablegram from Mr. Rudd is received I cannot speak authoritatively," said Mr. Murray, "but unofficially it is no secret that such a meeting is probable. It might be held on Saturday, July 30, or some approximate date. College will close about the middle of June and we could not hold our athletes in training until the last of July, but it would be possible to permit them for a short period of training."

"The location for the games would be a matter for careful consideration. Princeton in midsummer would hardly be the place to stage such an important and interesting event. New York city would appear at first glance as the logical scene of such an international competition, but these details will hinge upon the interpretation of the cable from Mr. Rudd."

### THISTLES DEFEATED EAGLES

The Fort Howe Thistles defeated the Long Wharf Eagles by a score of 10 to 3 on the Fort Howe diamond last evening. Batteries for the winners, Joyce, Turner and Cooper, and for the losers, Rowley, Coyle and Tebo.

The Thistles want another game with the Eagles on Thursday evening next on Fort Howe diamond.

## RESUMPTION OF PASSENGER AND FREIGHT SERVICE BETWEEN ST. JOHN AND BOSTON, MAY 25

With the resumption of service, the International Line will offer great advantages between St. John and Boston for the transportation of both passengers and freight. The passenger service is particularly attractive, and from the tourist's point of view, travel will be the most unusual heavy during the coming summer season.

The Steamship Governor Dingley will leave St. John every Wednesday at 8 a.m. and every Saturday at 6 p.m. (Atlantic Time). The Wednesday trips will be via Boston and Lubec, while the Saturday night trips will be to Boston direct. The Steamship Governor Dingley has been refitted and equipped for the burning of oil for fuel. The staterooms are commodious, well ventilated, and the meals served will be the best the market affords.

For the expeditious transportation and handling of freight, the International Line will render the best possible service in connection with the Metropolitan Line Steamers between Boston and New York via the Cape Cod Canal, which has special facilities for the transportation of automobiles, horses and express freight.

## Intermediates' Four-Team League

St. Peter's, Y. M. C. I., Y. M. H. A. and Wolves Have Drawn up Schedule.

An intermediate baseball league to consist of four teams representing St. Peter's, the Y. M. C. I., Y. M. H. A. and the Wolves, was formed at an enthusiastic meeting of representatives of the four teams held in the hall of St. Peter's Y. M. A. Thursday night.

A schedule was drawn up and the league will be seen in action on the St. Peter's diamond in the near future. Some promising players have signed up on the various teams, and the intermediates plan on putting up a brand of ball that will keep the Senior teams of the city guessing.

The schedule will call for three games of ball a week, and the day light saving will doubtless favor the full nine inning game each night.

T. L. McGovern presided at the meeting. The Y. M. C. I. was represented by C. Agar and D. Connolly; the Y. M. H. A. by H. Marcus and Mr. Greene; the Wolves by P. McKel and R. Thompson and St. Peter's by R. O'Connor.

A further meeting will be called at the first of the week when officers will be elected.

## \$60,000 Suit To Find If Chocolate Is Food

Boston, May 13.—A federal court jury here has been asked to determine whether sweet chocolate bars are candy or food.

In a suit against John F. Malley, former collector of internal revenue, Walter Baker & Co. chocolate manufacturers, ask return of \$60,000 in excise taxes paid to the federal government in Massachusetts from February to September, 1919, asserting the produce taxed was food.

Fifty other chocolate bar manufacturers, represented by counsel pressing the Walter Baker & Co. suit, were issued by the United States attorney in France during the war was introduced in evidence today.

Halifax, N. S., May 13.—Arvd from Boston, St. John, N.B.; same Babte to St. John's, N.B.; scht Annie, Eardas.

## Hardware Clerks' Team Work Out

Soccer Football Players Out in Force on Shamrock Grounds Last Evening.

The Hardware Clerks' squad of soccer football players had a very promising work-out on the Shamrock Grounds last evening. Quite a few new players put in an appearance, and there is every assurance that the Clerks will be able to get together a fine machine. There is still an opening for more players, and the fact that a man is not a member of the Hardware Clerks' Association will not deter him from a place on the team provided he can produce the goods. In view of the fact that the team has had but one practice, it is probable that the league schedule will be rearranged to some extent, and the game the clerks were to have played Monday night be postponed to some future date.

### WATER ST. ATHLETICS

Three different games were in progress on Water street last evening. Near the C. N. R. elevator a bunch of juveniles were engaged in a game of scrub baseball, while farther up the street colored waiters and stockers from the R.M.S.P. liner Chaleur enjoyed a game of cricket, as near the rear of the Customs house, between a warehouse some of the molasses hogheads, men from the Manchester liner were playing football.

It is not often that citizens are permitted to witness three kinds of games on the one lot, and both players and spectators enjoyed the fun.

### ELECTRIC LIGHT MEET.

The Y. M. C. A. have entered two relay teams in the McAvity-Civil Service Electric Light Meet to be held on the East End Grounds next Wednesday night. Four or five entrants will also represent the "Y" in the hundred yard dash.

The privilege of using the Exhibition Grounds every evening after 6 o'clock has been extended to the Y. M. C. A. track teams and the Senior track team will begin their first work-out at 7 o'clock Monday evening.

### PRIVILEGE EXTENDED.

The privilege of using the Exhibition Grounds every evening after 6 o'clock has been extended to the Y. M. C. A. track teams and the Senior track team will begin their first work-out at 7 o'clock Monday evening.

## Miss Sterling To Meet Miss Leitch

Golf Champion of United States Will Play English Woman Champion May 30.

London, May 13.—Miss Alexia Stirling, of Atlanta, woman's golf champion of the United States, who came to England hoping to meet Miss Cecilia Leitch the English woman golf champion, will have her wish gratified, as they have been drawn to meet each other in the first round of the ladies open championship to be played May 30.

The golfing experts are looking forward to this as the great match of the tournament.

Canadian players drawn in the first round are: Miss E. C. McCarthy, Dorset, vs. Miss Kate Robertson, Canada; Miss Ada Mackenzie Toronto, vs. Mrs. H. Howson-Townsend, Glasgow.

### TWO CHALLENGES.

North End Shamrocks wish to challenge the East End Imperials for a game on the latter's diamond Monday evening. Answer requested through this paper on Monday morning.

The Heavers of East End want to play a game with the North End Shamrocks on their own diamond next Wednesday evening, and wish an answer through this paper.
