vesse!.

Capt. Walters, who has purchased the Andelana wreck, has ergaged a third diver to assist the present staff, and hopes to have the vessel aftoat next month. To guard against accident to his divers, he is having constructed a special suit of armor capable of resisting 100 pounds to the inch.—[Victoria Times.

PARESE ED, Sept. 23—Capt. J. E. Pettis launched from his shipyard at Port Greville, N. S., today the tern schooner Charlevoix. She is a vessel of 427 tons register, and is 154 feet long, 34.2 wide and 12.8 deep and will be commanded by Captain Pettis himself and employed in the off-shore trade, and it is safe to say that she is the best vessel of her class ever launched on this shore, which is saying a good deal, as Parrsboro and vicinity has turned out some of the finest vessels that sall salt water.

There is only one barque now in West Bay and one more to arrive, which closes the deal shipment for the seasor.

The new schooner St. Anthony, which was launched here last Monday, is being

fitted out for sea, and when ready will load lumber for the United States.

It is stated that parties across the bay are going to buy the steamer Havana from E. Churchill & Sons, and put her in the potatoe trade between Kingsport and Havans.

Schooner Athlete, 197 tons, will load corn at New York for Halifax at 3½

The tug made unsuccessful attempts to tow her off. She was boarded by the captain and crew of the Monomoy Life Saving Station, who ran out anchors, and on flood tide floated her, apparently uninjured. She proceeded.

The schooners Carlotta, Frank and Iro, and Hazelwoods left New York last Tuesday for this port.

Recent charters — Petroleum — Ship Marathon (Br) 75,000 cases refined, Philadelphia to Japan, 28½ to 24½c., Feb-

The steamer City of Monticello, Captain Harding, is doing a good business between this port and Yarmouth and the south port of Nova Scotia.

LONDON, Sept. 26—A despatch from Cuxhaven reports a collision between the British ship Largo Law, Captain Ferneaux, bound from Hamburg for Cardiff and Philadelphia, and the Norwegian bark Staube, bound for Exmouth. The bark was badly damaged, but the ship's injuries were slight. The coal trade between Departure

The cosi trade between Departure Bay and Honolulu is increasing rapidly, due to the many warships coaling at that place on the way to and from Manils. Three new vessels, the barque Pactolus, the barque Agate and the ship Charmer have been engaged to enter this trade, and will take on coal as soon that the coal as soon the coal as they can reach Departure Bay.—

Vincent convent.

Mr. J. P. Sherry has built a new tannery and expects to start operations shortly.

The new residence of Mr. J. P. Mc. Manus is nearing completion. The building will be fitted with all modern improvements, and when finished will be the finest house in this section of the country.

The Convent of the Sacred Heart has also re-opened and at present the boarders number 50 while the day scholars average 36. The staff, with the exception of Sister Cecilia who has been transferred to St. John, remains the same; so that the pupils are assured of cound progress in study together with proficiency in the fine artr.

Rev. Mother Philomede, superioress of the Sisters of Charity, paid a visit to the Sacred Aeart Covent on Tuesday. In the afternoon a reception, consisting of vocal and instrumental music and addresses in French and English were presented. The French address was read by Miss Blanche Coleman. Miss Coleman in her address expressed the great pleasure it afforded the students to meet so kind and affectionate a mother, and returned thanks to Mother Philomene in the ten years' war, were killed. An and affectionate a mother, and returned thanks to Mother Philomene in the reduced thanks to Mother Philomene in the ten years' war, were killed. An and address was written in a clever and a cholarly manner, and clearly showed the advantages to be derived from a higher educatior. Mother Philomene in replying sincercity thanked the students disconnent that several inhabitants of river towns who were taken prisoners by the Yaquis in July have been released and in cholarly manner, and clearly showed the advantages to be derived from a higher educatior. Mother Philomene in replying sincercity thanked the students do the reports is the statement that several inhabitants of river towns who were taken prisoners by the Yaquis in July have been released and increasing leasure of the reports is the profice of the reports of the reports of the relation of the Yaquis who are friendly to the relation of the Yaquis who ar

HALIFAX WEATHER

The Halifax Exhibition.

HALIFAX, Sept. 26—The weather today was very unfavorable for the exhibition, there being a southeast wind and a heavy drizzle all day. Notwithstanding this the attendance was fully as large as yesterday. Visitors arrived in great numbers during the day, one special from New Glasgow bringing 800. A large crowd is expected from Cape Breton tomorrow, when Sir Charles Tupper is to speak from the grand stand.

HALIFAX WEATHER

Fog and Rain Spoils the Exhibition tion Attendance.

HALIFAX, Sept. 27—This was another unortunate day for the exhibition. The heavy fog of yesterday continued till about noon today, when rain came down in torrents for about half an hour, when the weather cleared some. The tendance was small owing to the wretched weather.

This afternoon Sir Charles Tupper spoke in front of the grand stand after being entertained at lunch by the exhibition committee.

Tonight the weather cleared and the attendance was very large, Unless it remains fine for the next three days there will be a larger deficit this year than itset.
