The image shows a vintage advertisement for 'Guangguang' (光光) brand ink and fountain pens. On the right is a detailed illustration of a glass ink bottle with a decorative label. The label features the brand name '光光' (Guangguang) in large characters, with '中國' (China) and '上海' (Shanghai) also visible. Below the brand name, it says '開創於民國' (Founded in the Republic of China). The bottle has a dark stopper. Below the bottle, the text '每罇壹毫五仙' (Each bottle for one cent and five thousandths of a dollar) is written. On the left side of the advertisement, there are two columns of vertical Chinese text. The top column lists the products: '完全國貨', '比別不同', '來墨自然', '唐洋箋紙', and '均可適用'. The bottom column describes the fountain pens, mentioning that they are made of high-quality materials using scientific methods, are durable and beautiful, and come with a usage guide. It also states that the pens are available in men's and women's styles and are currently on sale at a special price of 1.75 dollars per piece. At the bottom of the advertisement is a detailed illustration of a fountain pen, showing its barrel, clip, and nib.
