## NEWS AND NOTES．

Scientists now argue that blauta ink upor white paper is ruining thie eyes of the read ing world．The rays of the sun are re flecred by a white body and absorbed by a black one，hence our books and newe－ papers are in dircct opposition to the plai－ pest principle of optical science．

Estey＇s Fragrant Philoderma is the only reliable and thoroughly harmlens preparation in the market for the skin． For general use it is simply invaluable and far nuperior to Glycerine or any greas－ sy con snd．It is much better than Violet ter it for Chafing in Infants．
A New York inventor has prepared a paint that is said to be proof against the toredo and the white ant．The iody is made from nitric acid，zinc，copper and arsenic．It will not meet with a large eale，as the juventor declares it will kill any person who handles it carelessly．

Houre Cleaning is Easily，Quicicly and well done by using Pyle＇s Pearline absolutely harmless to hands or finbric． Beware of imitations．

A ber or safe has been made of asbestos and silicate，formed into \＆solid，stone lika material．They are asid to be proof against sound and vermin，ae well asfire，and wiit be useful in preserving valuable papers． They are light，though massive in appea－ rance．

Mr．J．G．Robinson，
Dear Bir，－In reply to your letter of en－ quiry，I would say that your Phosphorized Emulsion of Cod Liver Oil with Lasto－ Phosphate of Lime is the best preparation of the kind $I$ have ever seen or taken．
I was ordered by my physician ti cate it，and commenced about the last of Au－ gueat，and since chai time I have feit a different man，and also look differentip： and all for the better，as the doctor cin testify．
I was unable，in the sunumer to walk any distance without much fatigue．I can now take my gun and travel all day，and feel firstrate at night，and eat as miuch as any lumberman．Have not bled any since I took your preparation，sad cun now inflate my lungs without feeling any sorencse and I think I can inflate them up to full measurement，same as before I was sick ；have also gained in flegh，my weight in the summer was 173 lbs ．and now it is nearly 190 lbs．，which is F atty well up to my former weight．
The foregoing is a correct statemed which I am prepared to ewear to，and I hereby aulhorize you to give it pablicity in wy name．

I am，dear sir，truly yours
（Sigoed）C．H．S．CRONKHiTE．
We，the undersigned，hereby constat to have our names published as witnessea to the effects of Robinson＇s Phosphorized Emulsion on the person of Mr．Cronsthite and do assert that the foregoing atater：ant is correct in every particular．

We caution all persons not to buy she axtra large packs of dust and ashes sow put up by certain parties and called condi－ tion powders．They are utterlyworthiess． Buy Sheridan＇s Canalry Condition ${ }^{3}$ ow－ ders if you buy any；they are absclutely pure and immensely vaiuable．Smail pack 25 cents，large cans $\$ 1,00$.
It is reported that refined petroleam in tin cases exerts an intluence upon a ship＇s needle the same as cargoes of iron und stoel．

## SAMES PYLE＇S PEARLINE

I iniversally approved by those who use if ior its admirable cleansing properties aid the relief it affords in washing clothes siole by grocers every where．

A metent which was seen to fall near Odessa viac found by a peasant，and ptoved to be as hapeliess naass of about eigh－ ieen pounds．There in ：ery little known Pj to the nature or causes of meleors dea－ the the annual recurrence and observa－ tion of them in November．
