FARMERS OF WESTERN CANADA

The new season's crop is on the eve of moving to market. You want to get all you can realize out of your grain, but the only way to do so is by shipping it in carloads to Fort William or Port Arthur and having it looked after and sold for your account by a first class grain commission house, acting as your agent. We are an old-established, independent and reliable commission firm, well-known over all Canada, and we possess unsurpassed facilities for so handling Wheat, Oats, Barley and Flax for farmers who rise to the ambition of shipping their own grain, and we are prepared to handle to the best advantage for our customers all grain entrusted to us. We make liberal advances against railroad car shipping bills immediately we receive the same, and make prompt returns after sales are made. We are not track buyers, and do not buy your grain on our own account, and we always furnish our customers with the name and address of the buyer we sell to. Owing to the influence of the elevator interests in the Winnipeg Grain Exchange, the commission rates for handling grain have recently been suspended, but an independent commission firm, which does not buy grain at a handsome margin of profit, must make some definite charge for the services it renders. We, therefore, propose to charge 1c. per bush, on Wheat and Flax, $\frac{3}{4}$ c. per bush, on Barley and $\frac{1}{2}$ c. per bush, on Oats. We solicit a continuance and increase in the patronage we have for many years received, and we invite you to write us for market prospects, shipping instructions, and our "Way of doing business," and you will be sure to gain advantage and satisfaction thereby.
