

## ONLY THOSE WHO LOVE MUSIC CAN FULLY APPRECIATE THE NORDHEIMER

**B**UT you do not have to be a pianist to comprehend the Nordheimer's high musical qualities. Whether you play, or sing, or merely listen, your discriminating taste will surely indicate the Nordheimer as the preferred instrument.

It is not alone that we have the skill to make a better piano than the average. We do employ a high order of ability in our splendidly-modern factory—but that skill could never have attained the pinnacle of high achievement which this piano has reached, were it not aided and inspired by an idealist's determination to excel all other makes.
