Sir I beg to acknowledge the receipt of your letter of the 24th Inst. and have to request that you will prepare a Special Patent for Mill Block in the Township of Amabel being in Concessions C.P.D. of that Township containing 1100 Acres on the River Assiniboile as surveyed by Provincial Land Surveyor Charles Rankin Esq. But with regard to the interest of the late James M. Mackay in the Mill Block in question I would beg to suggest whether as the assignment of the Mortgage thereof created by him does not constitute a basis for an absolute title, it would not be safer to require that the Mortgage shall be foreclosed and the more especially so as it does not appear to contain any power of sale. I am Sir
