Mr. Laurent Beaudry,
Asst. Under Secretary of State,
Department of External Affairs,
OTTAWA, Ontario.

Letter stating therein her reasons for making the trip and to substantiate her statement enclose papers received from Br. Government. The Department has turned several applications down of late but in the case of Miss. Patterson I do not think she will experience any difficulty. I would suggest that immediate application be made and to hurry matters along send to me and I will arrange forwarding to proper authorities. Have her mention in the letter that she wishes to embark at Montreal on a steamer of the Canadian Pacific on or about September 11th.
