Sir,-

Referring to your letter of the 18th instant I transmit herewith cheque No. 342 in favor of Drs. McDonald and McDougall in payment of their account for drugs, etc. supplied for Indians of your Agency.

The Department decided to pay for the glasses furnished Michael Nichol as they were ordered by the doctor.

Kindly, however, give him to understand that he should not order articles for Indians at the expense of the Department which they are able to purchase for themselves.

Your obedient servant,

Secretary.
