

153519-5.

Ottawa, December 11, 1916.

Sir,-

The department wrote you on November 9th last, in reference to a school at Kettle Point, Sarnia Reserve, enclosing the blue print plans of the proposed building with a request that this should be submitted and returned, when changes, if necessary, would be made.

As it is the intention of the Department to have the erection of the building undertaken as soon as the opening up of fine weather in the Spring, I have to request that the plan be submitted to the Band at once for approval and returned here that these with specifications may be completed.

Your obedient servant,

Asst. Deputy and Secretary.
