Dear Sir:-

I beg to transmit you herewith Credit Voucher No. 225, amounting to \$401.66, covering the money expended towards the payment of wages to the weavers and the purchase of goods from Indians from money advanced for the purpose.

As the balance left is of \$98.96 and that this amount will only last for a few days I would kindly ask you to send a further advance as soon as possible in order that the weavers be paid in due course.
