

Byron and Murray are coming up for lunch
tomorrow.

Byron is being transferred to Trenton this
month (as far as you know) before his next move
will be also one known. So I do want to
be with him and have a few months & weeks
together.

I have known Byron for five years but
really have only known him well for the past
eight months when he was transferred back to Long
Beach. The more I know him the more I
love him - so you see he's better than a girl
gets to that state - there's not much arguing
between us with her. However, I'm going with Bill
blindly but have pondered long and there are
doubts in my mind what to do. I'm marrying
a man who is thoughtful, respectful & good
company and does all of good things.
I want all my heart to be with her &
that when you visit Byron I understand you will
agree with me that he is the only man in his
world for you to say.
Many thanks again for a letter that really
filled me. Much love,
+ love
