CHAPTER X.

Determination of the carbon content of Graphite and Graphite ores....	188
Combustion method.....	189
Fusion method.....	191
Absorption method.....	191
Re-carbonating method.....	191
Further notes on analytical methods.....	192
Appendix.....	195
Bibliography of Canadian Graphite.....	195
Index.....	197

ILLUSTRATIONS.

Photographs.

Plate I.	Canadian flake graphite ore.....	End.
II.	Foliated plumbago.....	"
III.	Fibrous or columnar plumbago.....	"
IV.	Radiated, lamellar crystals of graphite.....	"
V.	Foliated plumbago.....	"
VI.	Mill of National Graphite Company, Munford, Ont.....	"
VII.	Mill of Tonkin-Dupont Graphite Company, Wilberforce, Ont..	"
VIII.	Method of working graphitic limestone ore-body, township of Montegale, Ont.....	"
IX.	Mill on Timmins property, township of North Burgess, Ont..	"
X.	Open cut at workings of Globe Graphite Mining and Refining Company, township of North Elmsley, Ont.....	"
XI.	100-foot level at mine of Globe Graphite Mining and Refining Company, township of North Elmsley, Ont.....	"
XII.	Needle-flake graphite ore, township of North Elmsley, Ont....	"
XIII.	Mill of Globe Graphite Mining and Refining Company, Port Elmsley, Ont.....	"
XIV.	Mill and part of surface plant of Black Donald Graphite Company, township of Brougham, Ont.....	"
XV.	North end of east or hanging wall stope, Black Donald mine, township of Brougham, Ont.....	"
XVI.	Main pit at Miller or Keystone mine, township of Grenville, Que.....	"
XVII.	Mill of Graphite, Ltd., township of Amherst, Que.....	"
XVIII.	Folded structure in gneiss, township of Buckingham, Que....	"
XIX.	Mill of New Quebec Graphite Company, Buckingham, Que...	"
XX.	Mill and workings of Bell Graphite Company, township of Buckingham, Que.....	"
XXI.	Large sized graphite flakes from township of Buckingham, Que	"
XXII.	Mill of Plumbago Syndicate, township of Buckingham, Que...	"
