

## THE BILLETS

Following is a list of hostesses who will entertain Commissioners to the Assembly, together with the names of Ministers and Elders, who have at the time of going to print definitely signified their intention of being present.

When billets have been assigned to all the Commissioners, the complete list will appear in the daily press:

- |                                                                                  |                                                                                                                   |
