

	PAGE		PAGE
THE SKELETON OF THE LOWER EXTREMITY		THE JOINTS AND LIGAMENTS OF THE FOOT	137
The Cuneiform Bones.....	104	The Joints of the Foot.....	137
The Five Metatarsal Bones.....	105	The Ligaments of the Tarsus.....	139
The Bones of the Toes.....	105	Myology	142
The Sesamoid Bones of the Foot.....	106	GENERAL MYOLOGY	142
The Skeleton of the Foot as a Whole.....	106	SPECIAL MYOLOGY	144
Syndesmology	107	THE MUSCLES OF THE TRUNK	144
GENERAL SYNDESMOLOGY	107	The Muscles of the Back.....	144
Synarthroses.....	107	The Short Muscles of the Neck.....	155
Diarthroses.....	108	The Fasciæ of the Back.....	156
SPECIAL SYNDESMOLOGY	110	The Abdominal Muscles.....	157
JOINTS AND LIGAMENTS OF THE VERTEBRAL COLUMN	110	The Abdominal Fasciæ.....	163
The Connections of the Vertebral Bodies.....	110	The Diaphragm.....	164
The Intervertebral Articulations.....	111	The Thoracic Muscles.....	166
The Ligaments of the Vertebral Column.....	111	The Pectoral Fasciæ.....	170
The Articulations of Sacrum and Coccyx.....	113	The Muscles of the Neck.....	171
The Articulation of the Upper Two Cervical Vertebrae with Each Other and with the Occiput.....	113	The Prevertebral Cervical Muscles.....	176
The Articulations of the Ribs with the Vertebral Column and with the Sternum.....	116	The Fasciæ of the Neck.....	177
THE ARTICULATIONS AND LIGAMENTS OF THE HEAD	117	THE MUSCLES OF THE HEAD	177
The Temporomandibular Articulation.....	118	The Muscles of the Face and of the Scalp.....	178
The Independent Ligaments of the Head.....	118	The Fasciæ of the Head.....	184
The Ligaments of the Hyoid Bone.....	119	THE MUSCLES OF THE UPPER EXTREMITY	185
THE JOINTS AND LIGAMENTS OF THE UPPER EXTREMITY	119	The Muscles of the Shoulder.....	186
The Sternoclavicular Articulation.....	119	The Muscles of the Upper Arm.....	188
The Acromioclavicular Articulation.....	120	The Muscles of the Forearm.....	191
The Ligaments of the Scapula.....	120	The Muscles of the Hand.....	198
The Shoulder-joint.....	121	The Muscles of the Thenar Eminence.....	199
The Elbow-joint.....	122	The Muscles of the Hypothenar Eminence.....	200
The Distal Radio-ulnar Joint and the Interosseous Membrane.....	123	The Interossei and Lumbricales.....	200
THE JOINTS AND LIGAMENTS OF THE HAND	124	The Relations of the Extensor Tendons and their Sheaths beneath the Dorsal Carpal Ligaments.....	203
The Joints of the Carpus.....	124	The Extensor Tendons of the Fingers.....	204
The Carpal Ligaments.....	126	The Tendons and Synovial Sheaths of the Flexor Tendons in the Palm.....	205
The Finger-joints.....	127	The Fasciæ of the Upper Extremity.....	207
THE JOINTS AND LIGAMENTS OF THE PELVIC GIRDLE	128	The Most Important Bursæ of the Upper Extremity.....	208
The Pelvic Ligaments, Synarthroses and Diarthroses.....	128	THE MUSCLES OF THE LOWER EXTREMITY	209
The Independent Ligaments of the Pelvis.....	129	The Muscles of the Hip.....	210
The Pelvis as a Whole.....	130	The Muscles of the Thigh.....	214
The Hip-joint.....	131	The Muscles of the Leg.....	219
The Knee-joint.....	133	The Muscles of the Foot.....	224
The Articulations of the Tibia and Fibula.....	136	The Synovial Sheaths of the Foot.....	229
		The Fasciæ of the Lower Extremity.....	231
		The Most Important Bursæ of the Lower Extremity.....	233
		INDEX	237
