These are the days of advertising.  
It is more essential than capital,  
yet capital can be accumulated or  
diminished in advertising, accord-  
ing as it is wisely or wastefully  
done. I have added years of ex-  
perience to years of study in writ-  
ing and placing advertisements  
for many of the most successful  
Canadian firms. I should have  
pleasure in explaining my meth-  
ods and terms to you, either by  
letter or personally.
