The second possibility is already reaching commercial prominence abroad.

In conclusion, if this paper and a subsequent study of the matter touched upon convince you that the power problem of the agriculturist has been neglected, but warrants study and mastery by the agriculturist himself, then the writer's whole aim has been achieved.

To Ascertain the Weight of Cattle.

Measure the girth close behind the shoulder, and the length from the forepart of the shoulder blade along the back to the bone at the tail, which is in a vertical line with the buttock, both in feet. Multiply the square of the girth, expressed in feet by five times the length, and divide the product by 21; the quotient is the weight, nearly, of the four quarters, in imperial stones of 14 pounds avoirdupoise. For example, if the girth be 7 feet, and the length, 5½ feet, we shall have $6 \times 6 = 36$ and $5\frac{1}{2} \times 5 = 26\frac{1}{4}$; then $36 \times 26\frac{1}{4} = 945$, and this divided by 21 gives 45 stones exactly. It is to be observed, however, that in very fat cattle the four quarters will be about one-twentieth more, while in those in a very lean state they will be one-twentieth less than the weight obtained by the rule.

Union Bank of Canada Absorbs United Empire Bank.

The latest move in the strengthening of Canada's financial institutions is the decision to merge the United Empire Bank, whose headquarters have been in Toronto, with the strong Union Bank of Canada, with head office in Quebec.

The United Empire Bank was established in 1906. It has a paid-up capital of a little over half a million, and eighteen branches in Ontario. Though perfectly sound and ably managed, the bank found it difficult to make headway against the natural preference of depositors and business men for its larger and stronger competitors. The directors have, therefore, wisely decided to cast in their lot with the Union Bank of Canada.

This will give the Union Bank assets of over \$50,000,000, with more than 220 branches in Canada. As none of the branches of the United Empire Bank, except in Toronto, duplicate those of the Union Bank, they will be continued with practically their present staffs, as Union Bank branches.

The directorate of the United Empire Bank will form an Advisory Board for Ontario of the Union Bank, similar to the Advisory Board at Winnipeg for the Western Provinces, which has worked out so satisfactorily.
