

Concrete Fence Posts Last Forever

THEY never rot away in the ground. They stand the hardest knocks and never have to be replaced, for they are practically everlasting. They are easily and cheaply made and are the most satisfactory of all fence posts.

Concrete Drain Tile Cannot Decay

Concrete drains do not decay and are cheaper, because they do not crumble and stop up drains, hence they need no digging up or relaying.

Let us send you this free book, "What the Farmer can do with Concrete." It shows you how to make concrete fence-posts and will save you many dollars when doing other building 'round the farm.
