Mr. Reader

Do you know that Oxford County produces more milk than any other two counties in Ontario? It is not because of its large area or its number of cows but rather the kind of cows. We are the Holland of America for

HOLSTEINS

Practically one-sixth of all Registered Holsteins in Canada are owned in Oxford County. We don't specialize in 100 lb. cows, although we have produced several of them, but we have the kind that are good property for any man—the kind that are always making good, and this is the kind we are going to sell.
