MARKET REVIEW AND FORECAST

TORONTO, January 13.-Business has been quiet since the close of the year. All firms have been busy taking stock and getting ready for the trade of 1916. The market is available, but that in most cases, 1915 has been a most satisfactory year, much more so than 1914. Payments now are 10 to 15 per cent. better than they were at this time last year, and this is a most reasonable situation. The Trade Bulletin of Montreal sums up the situation as follows: "When the agricultural classes are in affluent circumstances, the trade of the country is a rule secure."
There have been no changes of note in the week. What is, if anything, a trifle cooler, coarse grain are strong and in all other lines of farm produce, quotations are firm and steady.
