POWER ON THE FARM

Farm Tractors Duty Free During 1918

**\$575.00 Up!**

THE Customs Duty on Farm Tractors entering Canada has been removed for a period of one year, from February 7th, 1918. This year the Canadian farmer can purchase his Tractor, duty free, but to derive the fullest benefit from this war-measure, he should

## PURCHASE NOW FOR SPRING WORK

You should take steps to ensure delivery by the first week in April, and that means **PLACE YOUR ORDER NOW!** Sit down now and write for catalogue and name of nearest agent or local user of an Avery Tractor.

# Avery Kerosene Tractors

are in use all over Canada. There are six sizes, from 5 to 10 h.p.—a size to suit your size farm! Write for testimonials and photographs received from Ontario users. Even though you may not intend to buy now, get your name on our list in order that you may be kept supplied with our latest literature.
