NEW ONTARIO

IF you want a farm of your own, in a splendid climate, well-watered, near railways, with first-class local markets, write for particulars of the new farming districts now being opened up by the Ontario Government. You can procure **160 acres of land free**, or where it is for sale pay for it by the sale of timber off the land.

The best opportunities for settlement for men of small or no capital on this continent may be found in New Ontario.

FOR PARTICULARS WRITE

HON. E. J. DAVIS,

COMMISSIONER OF CROWN LANDS. TORONTO, ONT.
