**SCROGGIE'S** Personal Mail Service is a new service—it has just been inaugurated—it is not Mail Order—it has no relation to Mail Order the way it is at present conducted elsewhere. Your letter for merchandise is not dropped into a bag or pigeon-hole, taken out in routine order, filled without regard to your evident taste, jammed into a box and rushed back the easiest way possible.

The Scroggie Personal Mail Service is altogether different. It places at your disposal a personal representative, a trained and experienced shopper, one with an intimate and varied knowledge of this large store's stocks. When your letter reaches us it goes straight to the desk of the correspondent who will act as your personal agent, serve you and continue to serve you as long as you desire. It will be to his or her interest to serve you well, for their success will depend on their record of satisfied customers.

This new service will eliminate delays, prevent errors, and stand as an insurance against the disappointments of the present old-style Mail Order System. Try it!

We prepay transportation charges on all orders amounting to \$5.00 and over in Quebec, Maritime Provinces and Ontario, except west and north of Sudbury and Sault Ste. Marie.

To customers living in the West we will allow a discount of 5% to help pay your transportation charges. This 5% will be refunded when the goods are shipped.

Ere I sleep, O Lord of all,  
On Thy holy name I call,  
Bless me, ere I go to rest,

Dear Puck and Beavers,—My father has taken "The Farmer's Advocate" for some

time. I enjoy reading the paper. I have three brothers and one sister. My sister and I go to school every day. One day we were in the school and someone saw the floor was on fire. We sent the boys for pails of water, and then sent for men. They got it out and went home.

MARION McCLEAR (age 7).  
Glencoe, Ont.

Dear Puck and Beavers,—I have been reading the Beaver Circle letters, and have found them so interesting that I thought that I would write, too.

I live on a farm. There are about one hundred acres in it. I live about one mile and a half from our school. My brother and I go to school. I have

two brothers and one sister. I am the oldest in the family.

LAURETTA HUTCHISON.

Dear Puck and Beavers,—I just thought I would find courage to write to the Circle. I love to read the letters sent by the junior Beavers. We have six horses and two calves. We call them
