

CROSS-CUT SAWS!

The **STANLEY BLADE** is probably the best tempered lance tooth cross-cut saw made, or ever made in the Dominion. The temper is warranted. They are perfect in temper, that part of their manufacture being done on the most modern principles, that of the absolutely even electric light process. The lance tooth pattern is well known to be the fastest tooth ever made. These "Stanley Blades" require very little setting, as they are four gauges thinner on the back than at the teeth. The price is very low, 50c. per foot. A five-foot saw costs only \$2.50 each; a five and a-half-foot saw only \$2.75, and a six-foot saw only \$3. Patent handles, 25c. per pair extra. For ten cents in silver, or in postage stamps, we will mail to your nearest post office one of our patent gauges for drag teeth. Every owner of a cross-cut saw should have one of these drag tooth gauges.

We cannot say too much in favor of these "Stanley Blades." They are superior to every saw heretofore put on the market. We will send these saws by express, C. O. D., to any express office in Canada; that is, the buyer pays the money into the Express Company when he receives his saw.

FUR ROBES.—Our Australian Bear robe, size 52 x 66 inches, has met with remarkable success. The price is \$12 each, and for downright durability they are not outdone by the old buffalo robe. They are handsome and well made, the lining being of figured plush. An Australian bear is a species of kangaroo, and nature has endowed it with one of the toughest of hides, which tans beautifully, and as a Canadian winter robe has few equals, if any. They are strongly recommended and are giving good satisfaction wherever used. We will send these robes also by express, C. O. D.

FARM BARN PLANS ONLY \$1.00.—A first-class barn plan in every particular, showing front view, side views and rear view; plan or layout of a modern barn, giving full working details of each part; shows many improvements, which are entirely new, and each one of which is easily worth the price of the plans. These plans are professionally drawn up by an architect of experience. Size of plan, 24 x 36 inches; size of barn, 40 x 80 feet. The whole is drawn to a working scale, and shows silo, feed room, cistern, windmill, hen house, tool house in addition to mows, stables, etc. This plan would be of very great assistance to every farmer who is about to build, every amateur architect and every carpenter; all should possess one. Mailed to any address. Postage paid on receipt of \$1.00.

HAMILTON, 313-a-OM ONTARIO.
FROM ATLANTIC TO PACIFIC

Herbageum has the reputation of being the premier **Animal Spice**. It secures pure and invigorating blood; it strengthens digestion and helps assimilation. **Cows** yield more, purer, and richer milk from the same food. **Fresh "whey"** or skim milk fed with Herbageum raises calves and pigs as well as pure milk. **Horses** out of condition are rapidly restored to vigor and efficiency, and are protected from "Epizoo." **Colts** and calves fed Herbageum will improve all winter. Fed to one half of a litter of pigs they will grow much faster than the others. **Hens** will lay in winter as well as in summer. **Small feeds** make it cheap to the feeder. Thousands of business men from sea to sea report their customers testify that it pays to feed **Herbageum**. Enquire for it of General Merchants, Druggists, Grocers and feed stores. They have it or can order it for you. **BEAVER MFG. CO.,** 312 e-OM Galt, Ontario.

THE DALE PIVOTED LAND ROLLER

(Patented.)

A STEEL ROLLER, THE DRUMS OF WHICH OSCILLATE ON PIVOTS AND ADAPT THEMSELVES TO THE UNEVENNESS OF THE GROUND.

Its points of advantage are too many to enumerate. Some of them are:

The bearings are the only wearing parts and are guaranteed to last from Ten to Fifteen Years, and can be replaced at a nominal cost.

It rolls all the ground, no matter how rough. There is no axle shaft, no strain, and consequently no wear. It is easily rolled between the drums.

THE DEMAND IS STEADILY INCREASING. IT IS UNANIMOUSLY RECOMMENDED BY THOSE FARMERS WHO HAVE USED IT. Orders are now being booked for the fall trade. Description and price furnished on application to.

T. T. COLEMAN, SOLE MANUFACTURER, SEAFORTH.
