The Provincial Mutual Hail Insurance Company of Manitoba

(INCORPORATED 1891)

SEASON 1907

We paid all losses last year in full, \$6 per acre.
We have done this for twelve years of our existence at an average cost of 21c. per acre.
We have no liabilities.
We returned 30 per cent. of all premium notes to policy holders last year, and one year before we returned Fifty per cent. (50%)
We were highly commended by the Royal Commission on Hail Insurance for our business methods.
