THE HOME BANK OF CANADA

ORIGINAL CHARTER 1854

One dollar a week deposited with the Home Bank will amount to Fifty-two dollars at the end of the year, with full compound interest to be added. How many wage-earners can say that they have not wasted, or lost, fifty-two dollars during the past year from the habit of carrying money carelessly in their pockets?

The Farm Burden Bearer

YOU and your farm wagon spend a great deal of time together. Of all farm tools, it is your standby. Its wheels bear the burden of big loads—tow-

ering racks of hay and grain, sacks of produce, loads of sand and gravel, anything that needs moving, over miles of roads to market. It takes solid strength to stand up long under that. When next you ride on a load, listen to the constant racking, creaking, groaning sound of the wagon box, wheels, and running gear as the load pitches back and forth over the road ruts. Not an unpleasant sound, but the strain that causes it is hard on the wagon. I H C wagons—

give the buyer the most he can get for his money because they defy hard usage for the longest time, and are easiest on the horses.

These are a few of the things that contribute to the making of the unbeatable I H C wagon reputation. Selection of the finest grades of lumber, oak, hickory and pine, and of the best quality of steel and iron; many months of toughening air-drying for every piece of wood; skilled assembling of parts, fitting of bolts and rivets, and perfect shaping and ironing; application of the purest paint to act as wood preservative and to prevent shrinking and warping of the wood. Experts test every part and verify each operation so that when the wagon is ready for the farmer, it is practically perfect in every detail and thoroughly up to the I H C standard.

And there are many other reasons we have not room for here why I H C wagons are the best to buy. A visit and a talk at the I H C local agent's, where the wagons may be seen and studied, will soon convince you as to the wagon you want. Get catalogues from the agent, or, write the nearest branch house.
