

The livestock departments of the Alberta Farmers' Co-operative Elevator Co. reports this week's Alberta stockyard receipts as follows: Horses, 434; cattle, 705; hogs, 2,230; sheep, 300. This week's year ago was: Horses, 737; cattle, 651; hogs, 1,767; sheep, 20.

The beef market was considerably lower in midweek trading. There was a wide spread between the best and extra fat steer prices, and farmers are should get their beef choice before marketing it. Due to the severe weather, receipts of stocker were light and there was not much demand. Week's activity consisted of very common cattle
