

of lamps, lamp posts, sign boards, and other fixtures within the City :

44th. To make regulations for the trial of contested Elections :

45th. To provide for the expense of lighting the City, and to compel the proprietors or occupiers of real property to permit such work and fixtures as may be necessary for that purpose, to be done or placed in and about their premises at the expense of the City, and to provide for the erection of all works connected with such lighting : And generally, to make all such laws and ordinances as may be necessary and proper for carrying into execution the powers herein vested, or that may hereafter be vested in the said City Council, or in any officer or department of the same, subject to the limitations hereinafter prescribed.

55. The City Council may, by any bye laws, rules, or regulations, impose such fines and penalties, and ordain such forfeitures, as they may deem necessary for the non-observance or breach of any bye law, rule, or regulation, not to exceed in any case the sum of twenty five pounds.

56. The City Council shall have the sole and exclusive power to open, lay out, regulate, repair, and clean the streets, roads, lanes, alleys, squares, commons, and public landings now existing, or that may hereafter be found necessary within the City ; and to construct drains, sewers, culverts, and bridges therein, and to prevent the encumbering, injuring, obstructing, defacing, or encroaching upon the same in any manner ; and to make and ordain bye laws and regulations for the confiscation, sale, removal, or destruction of any such encumbrances, or any nuisance thereon ; and to impose penalties on the owners or persons placing the same thereon, and to recover the same as hereinafter provided ; and to regulate the breaking of the roads and streets of the said City in the Winter, and the putting of bushes in the ice in the River Saint John in front of the City ; and to provide for making or repairing any common sewer, drain, flagging, or pavement, in any street, highway, square, or place, and the making of any common sewer or drain through private property, and for assessing the proprietors or lessees of such real property as will be immediately benefited by such improvements, and to regulate the time and
