H. and C. Armstrong, of Markdale, who were injured in the Caledon wreck last September, have made a settlement with the C. P. R., the company paying them between \$5,000 and \$6,000.

A large cheese was sent from a London firm to a railway station near Birmingham marked "John Smith, to be called for." Two weeks elapsed without anyone calling for the cheese, when the following letter was written to the senders: "Dear Sir,—If the cheese sent here for John Smith is not called for in two days it will be killed."

R. H. Fortune of Ayton secured second prize with his trotting horse, Scotty Wilkes, at a recent horse show in Toronto. Mr. Fortune has disposed of his team to a Harriston man for nearly \$2000.

Kincardine, which for years has had one of the poorest railroad depots in Ontario, now has one of the best. It is a credit to the town, and is much admired by all travellers. It is elegantly fitted up inside with every possible convenience for passengers and staff.

Condemned By Physicians—Unscrupulous dealers often prepare corn remedies with caustics and acids. Refuse such and insist on Putnam's Painless Corn Extractor. It's purely vegetable, safe and sure.

The Ontario Education Department has issued a notice to provincial schools to celebrate Empire Day on Friday, May 22. The circular suggests patriotic instruction for the morning and patriotic recitations and addresses in the afternoon. The department promises a Union Jack to every rural school before that date, and every schoolhouse must fly it. The Canadian ensign should also be used.

Is Your Back Weak?—When the back drags and aches, feels lame over the spine,—when there is indigestion, headache and constant call to make water, beware of sick kidneys. If neglected, this condition develops weakness and soon you'll be unable to work. The one remedy you can rely on is Dr. Hamilton's Pills. Every symptom of disordered kidneys they cure by removing the cause. You improve immediately, day by day you experience benefit from Dr. Hamilton's Pills. Best for the kidneys, liver and stomach. Sold by all dealers.

The misplacing of a "comma" may get a printer into a bushel of trouble. The Windsor Record gives the following instance:—The reporter wrote it thus: "Two young men went with their girls to attend a teachers' meeting, and, after they left the girls, got drunk." The printer made it read: "Two young men went with their girls to attend a teachers' meeting, and after they left, the girls got drunk." Of course there was a big row, for the girls' friends denied that they got drunk; in fact, they didn't touch the stuff; it was the fellows who got drunk. It was the misplacing of the little comma that caused all the racket.

This Combination Always Wins—How often we hear of people who have an aching joint or muscle for years. No more speedy remedy can be adopted than to rub on Nerviline and then apply a Nerviline Porous Plaster. At once the muscles begin to resume their wanted vigor and flexibility. Inflammatory symptoms and pain disappear. Nerviline Plasters can be worn by the most delicate child or aged person. They are invaluable as thousands have proved. Used along with Nerviline they are guaranteed to permanently drive our any muscular ache, pain or stiffness. Try these remedies and judge for yourself. 25c at all dealers.

The alluring bargains offered by the large departmental stores are not always what they seem. A case has recently come under our notice of a couple of ladies who saw a 97-piece dinner set advertised for \$4.49. It was apparently better than they could do in town so the two ladies sent for a set each. When the dishes arrived the 97 pieces included six small butter chips instead of the usual bread and butter plates, and old style soup dishes, as well as being very plain looking generally. They also paid 90c. freight on the consignment. After inspecting their purchase both ladies were very dissatisfied and one of them called on a town merchant to know if he would take the set off her hands as part payment on a higher priced set, which she had been looking previously. However, the ladies still have their "bargains" but are not in the mood to repeat their experience. The moral is easy: "Is pays to buy of your town merchant."—Exchange.

Man is somewhat like a sausage:

Looks all right upon the skin,  
But you never know exactly  
How much hog there is within.

East Bruce Teachers' Convention will be held after the holidays, Inspector McCool not wishing to interrupt the present school term.

Rev. Dr. Kaye, formerly of Woodstock, Ont., convicted of counterfeiting at Wheaton, Ill., has been granted a new trial.

A married lady had a birthday anniversary a short time ago upon which her husband presented her with a pretty piano lamp. He was much flattered when she told him she intended to give it his name, until he asked her reasons for so peculiar a proceeding. "Well," she said, "you know, dear, it has a good deal of brass about it, it is handsome to look at, is not remarkably brilliant, requires a good deal of attention, is sometimes unsteady on its legs, liable to explode when half full, flares up occasionally, is always out at bedtime, and is bound to smoke."

Lost His Voice Entirely—Mr. J. H. Woods, of Point Rock, Oneida Co. N. Y. had a hard experience. "A bad attack of Catarrh settled in my forehead and the pain over my eyes was so intense I thought my head would burst. My voice grew very hoarse and I coughed every night, and through the winter could scarcely speak. My voice was gone. Two doctors didn't help me all. The next doctor ordered Catarrhozone. It cured me and now many others here use it also. My doctor says he doesn't know anything so good for Catarrh and Throat Trouble as Catarrhozone." Use it today, you're better to-morrow, 25c and \$1.00 at all dealers. Try Catarrhozone.

The general managers of some of our Canadian banks are quite confident that better times are at hand after the depression of last fall and winter. Much depends, however, upon good crops the coming summer. So far there is every reason to expect an excellent agricultural year as the present indications are quite cheering. Railway freight traffic has been depressed during the winter but that which is sent out is rapidly transported so that the returns of profit are more quickly realized by business men and a smaller margin is thus made profitable. Although the good times to which Ontario has been so long accustomed appear to be returning but slowly, the outlook for the future seems to be quite hopeful.

Peculiar Weakness in Women.—Many women suffer untold torture from nervous debility arising from disorders of the feminine organs. Day by day they grow worse. A false sense of modesty prevents them using a good remedy like Ferrozone—and it will cure them. Lost nerve force is brought back, new vital energy is supplied, irregularities disappear. Ferrozone does restore weak pale women. For those who suffer and find work hard to bear nothing supplies the health and vitality that Ferrozone so surely brings. Guaranteed free from alcohol and sure to cure, 50c at dealers.

Wm. Irving, proprietor of the Commercial House, Ripley, was last week fined \$70 and costs, amounting in all to \$76.45, for violation of the License Act. For some time there were indications that the law was not being observed and the temperance organization finally secured the services of a provincial detective to investigate. On investigation of the Commercial House five barrels of beer and a quantity of whiskey was found. Irving acknowledged selling the liquor and on this account the fine was made as light as possible. For having liquor on the premises he was assessed \$50, and for selling \$20.

Blood-cleansing Recommended in The Springtime.

IN THIS WAY THE SYSTEM IS STRENGTHENED AND BETTER HEALTH ASSURED.

From the earliest time it has been universally acknowledged that the transitional period between winter and spring is the seed time of disease.

Consequently it is necessary for us all to take suitable medicine. A delay gives the germs and weakness a better chance to take hold.

Don't wait, think of your small resisting powers, and begin building up to-day. For weakness, overwork and debility the doctors prescribe Ferrozone.

Vitality and power are instilled into the blood; this means new strength for all weak organs.

The fire of youth will dance in your veins, and new found energy will increase your desire to work.

Ferrozone supplies the nourishing and tissue-building material your system lacks. Isn't this a reason why?

From Combermere, Ont., Mrs. John Oram writes as follows: "For a number of years I was sickly in the springtime. I felt tired, nervous and had headaches. My blood was weak and damp days brought on Rheumatism. My nervous system was unstrung and I felt utterly worn out. Ferrozone revived me in a short time. In two days my appetite increased, and I could feel a building-up process going on. This great tonic made a new person of me and I don't think a more strengthening medicine for the spring can be found."

Wouldn't it be just fine for you to get back your old-time spirits and vigor? Easily done with Ferrozone; commence to-day. Sold by all druggists, 50c per box or six boxes for \$2.50.

It now looks as if the men of the 32nd and all other country regiments may lose that expected trip to Quebec. A despatch from Ottawa says it is understood that the programme of holding a review on the Plains of Abraham at the Quebec Tercentenary are being subjected to extensive alterations in the direction of reduction. The proposal to take virtually all the rural corps of Eastern Canada to Quebec has been abandoned, and the proposal now is to take the city corps at full strength.

Mr. F. Arscott, of Teeswater, an employee of Sterling Bros.' Boot and Shoe Factory in London, had his right hand fractured and two fingers crushed in a heeling machine Saturday.
