Message of Hope For All Women Miss Mary Sabourin Tells How She Found Health Suffered For Three Years and Could Find No Lasting Relief Till She Used Dodd's Kidney Pills. Toronto, Que., May 17th.—Special—Tired, run-down women can read a message of hope in the statement of Miss Mary Sabourin, an estimable lady living here. In a statement to the public Miss Sabourin says: "I was a sufferer for three years. I was always tired and nervous. My sleep was broken and unrefreshing. I was troubled with headaches and pains in my back. I had heart flutterings to add to my anxiety. I was treated by a doctor and an specialist but nothing seemed to do me any lasting good till I started to use Dodd's Kidney Pills and I took just three boxes of them. Nine-tenths of women's troubles come from sick kidneys. Sick kidneys fail in their duty of straining the impurities out of the blood. That means that poison and disease is carried to all parts of the body. The remedy is to cure the kidneys with Dodd's Kidney Pills. If you haven't used them ask your neighbor about them. Nearly every family in Canada is using or has used Dodd's Kidney Pills. Volunteers are beginning to come in at the 15th Regiment headquarters in answer to the clarion call for the fourth contingent. The authorities are grateful at the response and predict rapid recruiting.
