TIGERS GIVE EARNINGS TO PATRIOTIC FUNDS. Hamilton, Aug. 21-The executive of the Tiger Football Club held a meeting this evening and discussed plans for the coming season. It was decided that practices should start about September 15, and that all profits from the games should be turned over for patriotic purposes. The team will not have a coach this year, the management's object being to keep expenses down to a minimum, and many players will aid in this by using old uniforms or buying new ones themselves. There will be many new faces on the squad, as some old members have gone to the front.
