The go will commence at 9:30.

Frank Simons and Ed Holden with party of three other passengers arrived on a handsome litte naptha Wagons launch last night. The ! oat is said to have remarkable speed and easily passed all boats on the river coming down. Her speed in still water is 12 knots an hour. On the Yukon in many places it is claimed she made 18 knots an hour. The launch will probably continue down stream to St. Michael with Simons and some boon companions.
