JAPS INTO PORT ARTHUR

Success After Desperate Fight On Saturday Afternoon.

Outposts of Contending Forces Only Forty Feet Apart—Jap Trench Collapses Into Russian Gallery and the Enemy Being Surprised Fled in Confusion—In Manchuria the Two Armies Are Within Mating Distance.

Chicago, Nov. 8.—A Daily News special from Dally, Nov. 6, via Kobe, Nov. 7, says:

"After three days of continuous bombardment of Port Arthur, which caused extensive destruction to the Shojusan and Nirysuan forts, in the west centre of the Russian line of defence, and also to Keekwan fort, the right wing of the Japanese army assaulted Shojusan yesterday afternoon. Having carried the approaches to that height the assailants entrenched themselves under the glacis of the forts. In the evening the left wing delivered an assault on Keekwan, fighting its way to the lower parapet. There the Japanese held their ground stubbornly in the face of Russian counter attacks.

"Having been reinforced during the night, the Russians charged down upon the Japanese and desperate hand to hand conflicts ensued. The Japanese beat back the enemy and destroyed two covered positions in the front most. A Japanese sub-lieutenant with 30 volunteers then succeeded in making his way to the rear of the fort. There he engaged in a personal conflict with a Russian officer and killed him. Having discovered two more defences in the rear of the moat, the sub-lieutenant withdrew his force, losing two men.

"Later in the night the advanced position of the Japanese was taken and retaken twice. The besiegers succeeded in holding the approaches and constructing trenches connecting them with the army's front parallel. At dawn numbers of dead were visible on the slope. Fort P, north of the new and old batteries in the left centre of the line of defence, was captured by the severe fighting of the night. These operations have successfully driven an effective wedge into the Russian centre. Severe explosions and extensive fire have occurred in the fortress within the last few days. The total casualties of the Japanese in the late attacks were 1,100. Over 600 were killed up to Oct. 29. The spirit of the men is magnificent. The firing of all the guns is wonderfully effective.

"The climax to the late bombardment came between 4 and 6 o'clock Saturday afternoon. It was a superb spectacle. Every fort of the enemy was engaged and the fighting in the trenches was constant and severe. The outposts of the contending forces were only 40 feet apart. At 1 o'clock yesterday morning one of the Japanese trenches collapsed into a Russian gallery. The enemy being surprised underground, fled in confusion."

Clear Masses All His Forces.

St. Petersburg, Nov. 8.—The necessity for officers for service at the front has resulted in the mobilization of all reserve officers in St. Petersburg, Vilna, Warsaw, Kieff, Odessa, Moscow, Kazan and the Caucasus. The loss of officers at Liaoyang and below Mukden was about 1,300. The mobilization, while intended to supply the deficiency, is also necessitated by the grand scale on which the war in the Far East is to be prosecuted.

Kurapatkin Acts.

St. Petersburg, Nov. 8.—The news from the front indicates that Gen. Kurapatkin is devoting his attention chiefly to keeping the Japanese busy along the line of their fortifications below the Shakhe River.

Within Mating Distance.

Mukden, Nov. 8.—The Russian and Japanese armies, extending from Bentsiaputze east to Liao River west, at places are almost within a stone's throw of each other. At Bentsiaputze not more than 400 yards separate the advance posts, and at Sinchinpu, on the railway and 15 miles south of Mukden, the Japanese and Russians occupy the extreme ends of the same village.

At Hushgshantse the Russian centre has thrown advance posts across the Shakhe River. Both armies are still strengthening their positions all along the lines. The slightest movement on either side is the signal for firing, which occasionally lasts all night. The Russians are using six-inch guns.

The Japanese on Saturday night attacked some of the Russian outposts in considerable force, but the Russians had been warned and the Japanese were repulsed. They were not able to take away all their killed or wounded, leaving 28 bodies on the field. The Russians lost only nine men.

South of the Tumen.

New York, Nov. 8.—A despatch to The Herald from Wonsan, Corea, Oct. 28, via Chefoo, Nov. 6, says that 15,000 Russian troops are south of the Tumen River, with 38 guns. Of these 6,000 of the main body are at Kyungung, 2,000 along the coast in town garrisons, and 4,000 cavalry are thrown out westward in small bodies, menacing the Japanese lines of communication and railway construction between Pingyen and Wiju by frequent cross-country raids. The remainder of 3,000 are operating in strong scouting detachments to the southward at Peacheng, south of Hoowan.

On Duty For 36 Hours.

Ottawa, Nov. 8.—Inspector Dutil in his report on the railway accident recently at Eastwood, Ont., contributes the fact that the brakeman and conductor were on duty continuously for 36 hours. They were both killed.

BOTH SIDES CONFIDENT

Uncle Sam Votes To-day in the Presidential Contest.

Last Day Forecasts Indicate the Election of the Republican Candidate President Theodore Roosevelt—The Capitol Deserted—President Will Remain At Oyster Bay Only Long Enough to Cast His Vote—\$2,000,000 Wagered.

Washington, D.C., Nov. 8.—A few hours before the balloting in the Presidential contest finds the national capital practically deserted by qualified electors. From every department of the Government hundreds of officials and clerks have gone home to vote.

Only two members of the Cabinet, Secretaries Hay and Morton, were in the city last night. On account of his health Secretary Hay felt that he ought not to make the trip to Ohio at this time, and Secretary Morton is detained here by important business in the Navy Department.

Arrangements have been completed for the President's trip to Oyster Bay, where he goes to cast his vote. A special car for the accommodation of the President and his party will be attached to the regular Pennsylvania Railroad train, which leaves here for New York at 2:30 a.m. Roosevelt will be accompanied by Secretary Loeb and several White House attaches who will also vote at Oyster Bay.

Both Sides Confident.

The President will remain at Oyster Bay only long enough to cast his ballot, returning in time to catch the 1:14 train for Washington. The party is scheduled to arrive here at 6:15 o'clock. Returns of the election will be received by the President at the White House. At the headquarters of both parties last night the utmost confidence is expressed. Betting on the result has been heavier in Washington than ever before. The odds on the general result are at 5 to 1 in favor of Roosevelt and Fairbanks, but many wagers have been made at shorter odds. The interest of bettors centres on New York. Odds of 2 to 1 have been offered that Roosevelt would carry the State, and they have been accepted. Many wagers have been recorded also on the result in Maryland and in West Virginia, but Republican money is as scarce on the former State as Democratic money is on the latter.

\$200,000 Wagered On Result.

New York, Nov. 8.—The betting on the presidential result was livelier yesterday than at any other time during the campaign. It is estimated that nearly \$200,000 were wagered on the Broad street curb and in the various hotels. The ruling odds were 6 to 1 on Roosevelt on the general result; two to one that Roosevelt will carry New York State, and 2 to 1 that Herrick will defeat Higgins for the governorship. One bet on the president was of \$5,000 to \$3000. One man offered \$30,000 or any part of it at odds of 5 to 1 on Roosevelt without takers. The heaviest state bet was \$10,000 to \$8,500 on Herrick. Another Herrick bet was \$10,000 to \$6,000.

National and state tickets it is estimated that \$2,000,000 has been wagered in New York City.

ANGLO-FRENCH CONVENTION.

Another Protest Against Relinquishment of French Rights in Newfoundland.

London, Nov. 8.—The Anglo-French Convention again was discussed yesterday in the Chamber of Deputies. Paris. Mr. Suchetot protested against the relinquishment of French rights in Newfoundland, expressed the fear that the rights of French subjects would not be respected and referred to regulations which might possibly be framed by the Newfoundland Legislature. Premier Delcasse interposed that if such regulations paralyzed the exercises of French rights, the French Government would address itself directly to the Imperial Government.

Mr. Suchetot went on to relate the grievances suffered by French from the hands of the Newfoundlanders, and described what was conceded to France as a deceitful mirage. The inhabitants of St. Pierre and Miquelon were dissatisfied and prepared to accept union with the United States. The discussion was adjourned.

Cowan Goes to G.T.P.

Windsor, Nov. 8.—M. K. Cowan, K. C., member for Essex in the last Parliament, has gone to Montreal and arranged the removal of his family to that city on Dec. 1. Mr. Cowan will enter the office of the solicitor for the Grand Trunk and Grand Trunk Pacific Railways, and will permanently reside in Montreal.

No Trace of Bandits.

Casper, Wyo., Nov. 8.—Sheriff Webb and party returned to Casper yesterday afternoon from their pursuit of the bandits who held up the First National Bank of Cody and killed Okla. Sheriff Edghead. Not a trace of the outlaw was discovered, and it is the opinion of the officers that they have escaped.

Chief Reduced to Rank.

Berlin, Nov. 8.—The resignation of Chief of Police Winterhalt has been accepted. Last week he was suspended by the police commission for having been "drunk on duty." He will, however, be retained on the force, being reduced to the rank of a constable. P. C. George O'Neill was appointed acting chief.

Immediate Agreement.

London, Nov. 8.—Colonial Secretary Lyttelton, in a speech at Leamington yesterday, said there was an excellent hope of the almost immediate agreement by Russia to all of Great Britain's demands in connection with the North Sea affair.

Flynn's Move Approved.

Montreal, Nov. 8.—Hon. E. J. Flynn's manifesto has evidently been approved of by the Conservative party. The Witness argues that the Opposition made a mistake, but that the effect will be disastrous for the Liberal party. There is likewise a good deal of feeling against Sir Louis Jetté. L'Evenement scores the Governor with political partisanship in granting Premier Parent a dissolution of the House.

Storms Interfere.

St. John's, Nfld., Nov. 8.—The complete polls of Trinity district show the election of Miller, the third of the Liberal candidates, by a majority of 16. There remain only two districts to be reported. Stormy weather prevents the collection of ballot boxes.

Almost a Disaster.

St. John's, Nfld., Nov. 8.—The colonial cruiser Flama, with Premier Bond aboard, returning from Twillingate district, Sunday, broke a portion of her machinery and barely escaped going ashore in a fierce storm.

First State Ball of Season.

Ottawa, Nov. 8.—The first State ball of the season and the last under the regime of Lord and Lady Minto was held at Rideau Hall last night. Over 100 were in attendance. It was a brilliant assemblage.

What The Minister Says

Is Most Convincing.

"I thought I would write you what Pyramid File Cure has done for me. I had a most aggravated case of bleeding piles; indeed I dreaded when I had to go to stool. One fifty-cent box cured me. I feel like a new man. I have recommended it to others as being the most wonderful remedy known. It is indeed a great blessing to suffering humanity. You are at liberty to use this for all it is worth, and I hope it may do good." Rev. W. E. Carr, 355 No. Holbrook street, Danville, Va.

Clergymen (like all professional men who lead sedentary lives) are especially addicted to piles, in various forms, and are continually on the lookout for a remedy which will give relief, with little or no idea of obtaining a cure.

Recognizing this fact, Rev. Mr. Carr consents to the use of his name in order that other sufferers may know there is a cure called Pyramid File Cure, which is sold by druggists everywhere for the low price of fifty cents a package, and which will bring about for every one afflicted with piles, the same beneficial results as in his own case. Be careful to accept no substitutes, and remember that there is no remedy "just as good."

A little book describing the causes and cure of piles is published by the Pyramid Drug Co., Marshall, Mich., and will be sent free for the asking. All sufferers are advised to write for it, as it contains valuable information on the subject of piles.

SACHEL OF THE SATELLITE

Come on Ross, I'm a-laying for you.

Bugle Band jokes are good jokes.

How did the Banner come to overlook J. Gaston Kerr?

I saw Ald. John Edmondson out looking for a new market building.

Now for a chance to play Herb Clements on Ross, Stratton and Sullivan.

The Banner must have a great taste for red herrings the way he ran after them.

I wonder if the Banner man caught any of those red herrings that were drawn across the trail.

I have just ordered a couple of steam-trip hammers to crack some of those Bugle Band Minstrel jokes to-morrow night.

The nickel novel organette has

probably learned by this time that it doesn't pay to insult the intelligent colored voters.

Market Building Edmondson will be more successful with this venture than he was with the election last week. I'm with him in this!

They tell me that Bugle Major Wm. Plummeridge, leader of the Bugle Band, still laughs at some of the jokes although he has heard them at twelve different practices.

There will be one good laugh at the Opera House to-morrow night. I know, because The Planet's representative laughter will be there with his election laugh.

SUDDEN DEATH

A very sudden death occurred this morning when William Everett, one of the best known and respected residents of Chatham Township, passed away from a sudden attack of heart failure. Deceased was 43 years of age and has been ailing for some time with heart disease.

Deceased was single and worked a farm in Chatham Township on the River Road with his brother James. He was a son of the late Squire Everett.

Besides a mother he is survived by seven sisters and one brother. His brother Edward passed away a few years ago. Those living are Hannah and Melissa at home, city; Mrs. Sydney Knapp, Chatham Township; Mrs. A. T. Arnold, Grant street, city; Mrs. Peter McLean, Vancouver, B.C.; Mrs. (Capt.) Wm. McKenzie, Vancouver, B.C.; Mrs. Robert Wallace, San Francisco, and James, with whom he resided.

The funeral will take place to-morrow afternoon at two o'clock to the Maple Leaf cemetery.
