THE ACADIAN.

WOLFVILLE, N.S., MAR. 20, 1896.

Local and Provincial.

Spring to-morrow.

W. C. Bill, Esq., of Billtown, was in town on Thursday.

Miss Abbie Burgess, of this town, who for some weeks has been visiting friends in Fredericton, N. B., arrived home on Saturday evening last.

The Atholmston Society, of Acadia, will give a reception in College Hall, this evening. No doubt an enjoyable time will be spent by those who attend.

By request Mr. Woodworth is to repeat his "Evening of Reading" in Evangeline Hall, Lower Horton, on Saturday evening. Those who wish to spend a pleasant and profitable evening should attend.

"Crystal" Band of Hope makes the following statement of drinking fountain fund as deposited in Post-office savings bank: previously acknowledged, \$13.00; deposited March 6th, \$4.00; deposited March 13th, \$4.00.

Room paper at 4 cents per roll at the Wolfville Book Store.

Mr. Geo. Wood, our expert horse-shoer, has added to his business one of the celebrated "Center Clippers," manufactured in Worcester, Mass. You can now have your horse's feet attended to, and have him clipped at the same time. See his ad. in next issue.

The D. A. R. will have excursion return tickets for the Albion concert at one first class fare from all stations on March 20th and April 1st. Tickets issued the same date will be good to return same evening by special train as far as Windsor and on following day.

We desire to draw the attention of our readers to the spring advertisement of the Wolfville Clothing Co., under Mr. Grandall's management; and would ask them to call and see the assortment of cloths. The store is fairly loaded down with the new goods which is not excelled in extent or variety by any place in the province.

No need of it—to go out of town for a bicycle. You can buy the best at lowest prices from the Wolfville Book Store.

The regular spring meeting of the Nova Scotia Fruit Growers' Association will be held in Odellville Hall, Mid-dleton, on Wednesday, 25th inst. Sessions at 2 o'clock in the afternoon and 7 o'clock in the evening. There will be no set programme, but any question bearing on fruit growing may be discussed. Any question sent to the secretary will be put on for discussion. A large attendance is requested, and all present are expected to assist in making the meeting a success.

A rather small, though very select and appreciative, audience greeted Mr. G. W. Woodworth, in Temperance Hall, last Tuesday evening. The programme consisted of selections from the leading authors, in their spheres, from Charles Dickens to Mark Twain, and was a most enjoyable one. "The Child and the Star," and "A Mississippi River Disaster," were especially good, and were applauded accordingly. Mr. Woodworth reads well, and gave a high-class literary entertainment, but his admission fee was somewhat excessive, and no doubt prevented a large number from attending. Nothing seems to take quite so well in Wolfville as an Electric Bell Show.

The Tennysonian Society will meet with Mrs. Chase next Monday evening, March 23d.

Mr. B. Baumburg, representing Park, Blackwell & Co., was in town this week, in the interests of his firm.

The Dominion Atlantic Railway engine shed and turn table at Annapolis was burned Thursday of last week.

The Westville, Pictou Co., Nova was burned out on Thursday night. The building and all the plant was destroyed.

Mr. C. Percy Hesles, who has completed his second year at the Philadelphia Dental College, arrived home on Tuesday evening of last week.

The fine farm and orchard in Canard Street, Cornwallis, owned by the late Dr. Hamilton, are advertised for sale. Last season five hundred barrels of apples were shipped from it, as well as peaches, plums and other fruit.

Don't forget that we are selling out a lot of Room Paper at less than half price.

Mr. Harry Dodge, youngest son of the late Hon. T. L. Dodge, and Miss Laura Rockwell, youngest daughter of Mr. C. F. Rockwell, all of Kentville, were married on Wednesday of last week, in the Kentville Baptist church. The church, which was handsomely decorated for the occasion, was filled to its utmost capacity.

The citizens of Wolfville and vicinity will take notice that a public meeting will be held in Harris' Hall on Monday evening, March 23d, for the purpose of discussing the advisability of organizing a company of militia in this town. All this young men are particularly requested to interest themselves in this matter and be present at the meeting.

Hides are worth 4c. per pound at Brookside Tannery, Greenwich.

Quite a large number of skaters were at the rink on Wednesday evening last. The ice was in good condition, and a nice programme of music was rendered by the Wolfville Band. A number of fair dancemasters evidently had an idea that it was a Carnival. One costume was especially noticeable. The skirt was constructed of pink satin, and "gored" in a fanciful and wonderful manner; while the waist was of silk, of a reddish hue, somewhat of the color of a tomato picked green and ripened in the sunshine, and was dotted and striped with old gold, blue and yellow. It was truly a "thing of beauty."

Old Postage Stamps Wanted!

Parties having old postage stamps of the different Canadian Provinces, United States, British Colonies, etc., etc., that were used before 1870 can get good prices for them by writing to John Lindsay, Lock Box 3, Paris, Ont., Canada. Best of references furnished, and from \$1.00 to \$150.00 each paid for the rarer kinds. Leave the stamps on the envelopes if possible. Old collections also bought.

A boy of sixteen years of age was arrested in Halifax on Wednesday afternoon last by Detective Power. He was making quite a fine money, besides paying attention to one of the waitresses at the Halifax hotel. A telegram from Somerville, Mass., informed the detective that the boy was wanted for larceny of a \$400 diamond ring from his uncle. The boy confessed to the robbery, and also told that he had promised to marry the hotel maid, who was pretty and fascinating. But a sergeant of police came from Somerville and waited him home to his parents, who will turn him over to a different kind of a court for disposal.
